The Honorable Shirley Franklin
Mayor, City of Atlanta
55 Trinity Avenue
Atlanta, Georgia 30303

Dear Shirley:

It is with pleasure that I recommend J.C. Love for membership onto the City of Atlanta's License Review Board. I have had the opportunity to get to know J C in a variety of capacities over the past few years and think he will be a tremendous asset to your Administration.

As President of Morehouse, I have had the opportunity to prepare thousands of promising African American males for the challenges that this life has the potential to hold. As a student at Morehouse, J C impressed me by the way he balanced both his academics and his extracurricular activities. During his matriculation, J C became a symbol of excellence and a fixture on the Honor Roll and the Dean's List. He served as Student Government Association President and as a student trustee in addition to his memberships of the Golden Key National Honor Society, Who's Who Among American College Students, and Pi Sigma Alpha Honor Society. J C also held memberships in various campus organizations, including the Alabama Club, the Morehouse Business Association, and the Morehouse/Spelman Pre-law Society. After graduating from Morehouse, J C attended Boston College Law School from which he graduated in May 2004. While at Boston College Law School, he served as a student attorney for the Boston College Legal Aid Bureau, and was a member of minority law student associations.

Since returning to Atlanta from law school, J C has been very active both civically and professionally. He is a member of the Georgia State Bar and maintains memberships in the American Bar Association and the American Justice Institute. He has also been involved in city government helping to serve the citizens of the city he now calls home.

Over the years, Morehouse has graduated some of this nation's premiere African American male scholars. J C follows in this long tradition of excellence. As a member of the License Review Board, he can only build upon the skills that have enabled him to excel while matriculating at Morehouse. I highly recommend J.C. Love for consideration to join this important organization.

Sincerely,

Walter E. Massey
