NOW, THEREFORE, BE IT RESOLVED BY THE CITY OF ATLANTA, GEORGIA, that the Mayor be and he hereby is authorized to execute on behalf of the City of Atlanta an Easement Agreement with Georgia Power Company that will grant to Georgia Power Company the rights to, from time to time, construct, operate, maintain, renew and rebuild overhead and underground electric transmission, distribution, and communication lines, together with necessary or convenient towers, frames, poles, wires, manholes, conduits, fixtures, appliances, and protective wires and devices in connection therewith, upon or under a tract of land owned by the City of Atlanta in the 4th District, 1st Section, Dawson County, Georgia, in the Land Lots designated and subject to terms and conditions substantially similar to those set forth in that certain "Easement for Dawson Crossing—McGrau Ford Transmission Line," in the form and manner of that copy of same attached hereto and made a part hereof by reference.

BE IT FURTHER RESOLVED that Georgia Power Company shall pay to the City of Atlanta for the rights to be granted under said Easement, as consideration to the City for granting such rights, an amount to be determined by a fair market value appraisal to be obtained by the City.

BE IT FURTHER RESOLVED that the City Attorney be and hereby is directed to prepare the said Easement Agreement for execution by the Mayor, to be approved as to form by the City Attorney.

BE IT FINALLY RESOLVED that said Easement Agreement shall not become binding upon the City, and the City shall incur no obligation or liability thereunder until the same has been signed by the Mayor and delivered to Georgia Power Company.
