NATURE OF CLAIM: Claimant alleges that his vehicle sustained damage when it was struck by a City vehicle that made an "improper left turn". However, an investigation has determined that the City does not employ an individual named Lamon Weaver. Further investigation revealed that the Claimant failed to contact Atlanta Police and the appropriate Solid Waste facility to report the accident. Finally, although the claimant obtained a truck number for the vehicle that caused the collision, a check of City vehicles confirmed that the City does not own a Solid Waste truck with the number 288. The claimant has been so advised and has subsequently resolved the issues of this claim with his personal insurance company.
