**Re: Artwork Application
Lindbergh City Center**

Dear Ms Huebner:

I have enclosed a copy of our Artwork Application for your review. As part of our development, we are proposing 4 separate pieces of public sculpture as part of our urban design. We worked with a local Art Consultant to select several regional artists to present ideas for the spaces within our project. I have enclosed details of the four pieces that we selected and have commissioned.

I will work with Howard Shook to introduce our package to City Council. Additionally, we have requested the opportunity to present our program to the NPU-B meeting on March 2, 2004. In the meantime, we will work on obtaining the approvals from Traffic & Transportation, Urban Design, and Cultural Affairs.

We are very excited about the program and look forward to introducing these pieces into the community. Please let me know if you have any questions or require additional information. I appreciate your time and consideration.
