RE: Garbage Pick up

The garbage trucks would
back up the drive way.

They would have to make
two or three starts up
before they would come
up the hill. Each time
the apron would hit and
drag on the drive way.
Each time it would tear
some of the concrete.
This has been going on
(over)

for four years.

on the upper level. the
truck crack the concrete
because of the weight of
the trucks

Sincerely
Marie Daugh
