BE IT ORDAINED BY THE COUNCIL OF THE CITY OF ATLANTA, GEORGIA, as follows:

SECTION 1. That the currently adopted site plan governing the development approved by Ordinances Z-02-34 (02-O-0872) and Z-02-41 (02-O-0879) entitled “Princeton Lakes” prepared by Hughes, Good, O’Leary and Ryan, dated August 26, 2002, last revised August 23, 2002 (sic) and marked received by the Bureau of Planning August 27, 2002 is hereby amended so as to permit a revised development scheme for the area identified on said plan as “Pod A” in accordance with the site plan entitled “Camp Creek Market Place Phase Two, Camp Creek Parkway, Atlanta, Georgia” prepared by Philips Partnership, Architecture, Interior Design, Planning, dated March 16, 2004, last revised April 22, 2004 and marked received by the Bureau of Planning April 26, 2004.

SECTION 2. That all other conditions governing the development of the property rezoned by Ordinance Z-02-34 and Z-02-41 shall remain in full force and effect except to the extent that they may be modified by inference consequent to the adoption of the above referenced amended site plan.

SECTION 3. That copies of Ordinance Z-02-34 and Z-02-41 are hereby attached for reference purposes.

SECTION 4. That all ordinances or parts of ordinances in conflict with the terms of this ordinance are hereby repealed.

**AN AMENDED ORDINANCE
BY ZONING COMMITTEE.**

Z-02-34

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF ATLANTA, GEORGIA, as follows:

SECTION 1. That the Zoning Ordinance of the city of Atlanta be amended, and the maps established in connection therewith be changed so that the following property located at Redwine Road, S.W. be changed from the R-4 (Single Family Residential) District and the I-1 (Light Industrial) District, to the PD-MU (Planned Development-Mixed Use) District, to wit:

ALL THAT TRACT or parcel of land lying and being in Land Lots 35, 36 & 254 of the 14th District, and Land Lots 2, 3, & 4 of the 14FF District County, Georgia, being more particularly described by the attached legal description.

SECTION 2. That this amendment is approved under the provisions of Chapter 19 entitled, "Planned Development District", and Chapter 19A through Chapter 19D (as applicable) of the Zoning Ordinance of the City of Atlanta, and the Director, Bureau of Buildings, shall issue a building permit for the development of the above described property only in compliance with the applicable provisions of these Chapters and with the attached conditions.

SECTION 3. That the maps referred to, now on file in the Office of the Municipal Clerk, be changed to conform with the terms of this ordinance.

SECTION 4. That all ordinances or parts of ordinances in conflict with the terms of this ordinance are hereby repealed.

A true copy,

Rhonda Dauphin Johnson
Municipal Clerk, CMC

ADOPTED as amended by the Council
APPROVED by the Mayor

Conditions for Z-02-34

1. Site plan entitled "Princeton Lakes" prepared by Hughes, Good, O'Leary and Ryan, dated August 26, 2002, last revised August 23, 2002 (sic) and marked received by the Bureau of Planning August 27, 2002. Said plan consisting of two (2) sheets.
2. Final design of pods A through M, as shown on the above referenced site plan, shall be approved by the Bureau of Planning prior to the issuance any building permit.
3. Final landscape plans shall be approved by the Bureau of Planning and the City Arborist.
4. A Storm Water Management Plan, as noted in the ARC DRI review of this project, shall have been approved by the City and a fully executed maintenance/monitoring agreement shall be in place prior to the release of the site plan for development or issuance of any grading or construction permits.
5. Attachment A – General Conditions, Attachment B – Required Elements of the DRI Plan of Development and Attachment C – Required Improvements to Serve the DRI as per GRTA Notice of Decision shall be considered conditions of this rezoning and their provisions shall be enforced as such.

Attachment A – General Conditions

Roadway Improvements as Conditions to GRTA Notice of Decision:

Applicant shall make the following improvements on and adjacent to City of Atlanta roads:

- Install a sidewalk on all adjacent frontages along Fairburn Road and Hogan Road.

Applicant shall make the following improvements on and adjacent to state routes, subject to GDOT approval:

- Camp Creek Parkway at Centre Parkway:
 - Provide two eastbound left turn lanes into the site
 - Provide an exclusive westbound right-turn lane into the site
 - Provide a third southbound left-turn lane out of the site creating triple lefts, when third eastbound lane is provided
 - Provide an exclusive right-turn lane out of the site
- Provide an additional (i.e., third) exclusive westbound through lane on Camp Creek Parkway along the entire frontage of the property

Attachment B – Required Elements of the DRI Plan of Development

Conditions Related to Altering Site Plan after GRTA Notice of Decision:

The on-site development will be constructed materially (substantially) in accordance with the Site Plan. Changes to the Site Plan will not be considered material or substantial so long as the following conditions are included as part of any changes:

- All of the conditions set forth in Attachment A are satisfied.
- Except for Pod G, all pods shall be accessible to each other through on-site public roadways, without using roadways external to the site plan.
- Each side of each internal roadway shall have a sidewalk, multi-use trail, or pedestrian trail.
- Provide sidewalks, multi-use trails, or pedestrian trails that connect all land uses within the development.
- Provide vehicular access connection between parking areas of all retail/commercial portions of the development.
- The property shall accommodate and allow interparcel access wide enough for a two-way vehicular and pedestrian facility along the eastern property line at a point within 1,000 feet of Camp Creek Parkway. The access is to be maintained in the event a future connection becomes available from an adjacent roadway or driveway.
- Provide a multi-use trail adjacent to a roadway that connects Camp Creek Parkway with Fairburn Road.
- Provide a “proposed trail” (i.e., sidewalk, multi-use trail, or pedestrian trail) that connects the south portion of the “existing lake” approximately at the south property line near Camp Creek Parkway (adjacent to Pod B, Pod, D or Pod F) to an access point at the “Atlanta Nature Preserve” (adjacent to Pod M).
- Provide a trail (i.e., sidewalk, multi-use trail, or pedestrian trail) completely around the “existing lake” in Pod D.
- Provide at least one vehicular and pedestrian access point to Hogan Road.
- Provide a minimum of two roundabouts within the internal roadway network.
- Provide at least one pedestrian access point to the Atlanta School Site.
- Provide at least one pedestrian access point from Pod F to Pod L (this may include access through a pocket park).
- Provide at least two vehicular access points from Pod L (southwest single-family residential) to the Redwine Parkway.
- Provide at least two vehicular access points from Pod K (southeast single-family residential) to the Redwine Parkway.
- Provide at least one pedestrian access point from Pod H to Pod M (the on-site nature reserve) with final connection ending at the “proposed trail.”
- Provide at least one pedestrian access point from Pod I (eastern single-family residential) to Pod M (the on-site nature reserve) with final connection ending at the “proposed trail.”
- Provide at least one pedestrian access point from Pod E (townhomes) to Pod M (the on-site nature reserve) with final connection ending at the “proposed trail.”
- Provide at least one pedestrian access point from Pod J (the amenities site) to Pod M (the on-site nature reserve) with final connection ending at the “proposed trail.”
- Provide at least two pedestrian access connections from Pod F office structures to the “proposed trail” along the lake.
- Pedestrian access at the eastern property line in Pod M (the on-site nature reserve) could be accommodated to an off-site pedestrian pathway north and/or east to the City of Atlanta Nature Preserve.

- The development shall consist of retail/commercial, residential, and office land uses.
- Provide at least three bus stops, with shelters and connecting sidewalks, within the development, at a minimum, according to MARTA requirements, in the event that bus service begins by the full build-out year.
- Provide crosswalks for continuing a sidewalk, multi-use trail, or pedestrian trail at a roadway intersection.
- The office structures in Pod F shall front either the "proposed parkway" or the primary access driveway to the office component of the development, similar to what is depicted on the Site Plan. Direct pedestrian access and a ground-level entrance, facing the sidewalks along either of these two roadways, must be provided.

Attachment C – Required Improvements to Serve the DRI

Pursuant to Section 1-201.R. of the *Procedures and Principles for GRTA Development of Regional Impact Review*, a "Required Improvement means a land transportation service [def. in Section 1-201.N] or access [def. in Section 1-201.A.] improvement which is necessary in order to provide a safe and efficient level of service to residents, employees and visitors of a proposed DRI."

The Required Improvements in the study network were identified in the Review Package as necessary to bring the level of service up to an applicable standard before the build-out of the proposed project. These requirements are identified in Sections 1 and 2 of this Attachment. Section 1 contains improvements that do not require GRTA approval at this time because they are to be constructed by the Applicant prior to the completion of the DRI Plan of Development. However, GRTA approval shall be required in the event state and/or federal funds are proposed at a later date to be used for any portion of the improvements described in Section 1. Section 2 contains improvements that require GRTA approval prior to the expenditure of state and/or federal funding. Subject to the conditions set forth in Attachment A and Attachment B, GRTA approves the expenditure of state/and or federal funding for the improvements contained in Section 2.

Section 1.

CITY COUNCIL
ATLANTA, GEORGIA

Municipal Clerk :
Atlanta, Georgia :

02-0-0879

AN ORDINANCE
BY: ZONING COMMITTEE

Z-02-41

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF ATLANTA, GEORGIA, as follows:

SECTION 1. That the Zoning Ordinance of the city of Atlanta be amended, and the maps established in connection therewith be changed so that the following property being annexed into the City of Atlanta located in **Unincorporated Fulton County north of Camp Creek Parkway in Land Lot 1 of the 14FF District** be changed from the Fulton County Zoning Classification of AG-1 (Agriculture) District, to the PD-MU (Planned Development-Mixed Use) District, to wit:

ALL THAT TRACT or parcel of land lying and being in Land Lot 1 of the 14FF District, Fulton County, Georgia, being more particularly described by the attached legal description.

SECTION 2. That this amendment is approved under the provisions of Chapter 19 entitled, "Planned Development District", and Chapter 19A through Chapter 19D (as applicable) of the Zoning Ordinance of the City of Atlanta, and the Director, Bureau of Buildings, shall issue a building permit for the development of the above described property only in compliance with the applicable provisions of these Chapters and with the attached conditions.

SECTION 3. That the maps referred to, now on file in the Office of the Municipal Clerk, be changed to conform with the terms of this ordinance.

SECTION 4. That all ordinances or parts of ordinances in conflict with the terms of this ordinance are hereby repealed.

A true copy,

Rhonda Dauphin Johnson
Municipal Clerk, CMC

ADOPTED by the Council

Conditions for Z-02-41

1. Site plan entitled "Princeton Lakes" prepared by Hughes, Good, O'Leary and Ryan, dated August 26, 2002, last revised August 23, 2002 (sic) and marked received by the Bureau of Planning August 27, 2002. Said plan consisting of two (2) sheets.
2. Final design of pods A through M, as shown on the above referenced site plan, shall be approved by the Bureau of Planning prior to the issuance any building permit.
3. Final landscape plans shall be approved by the Bureau of Planning and the City Arborist.
4. A Storm Water Management Plan, as noted in the ARC DRI review of this project, shall have been approved by the City and a fully executed maintenance/monitoring agreement shall be in place prior to the release of the site plan for development or issuance of any grading or construction permits.
5. Attachment A – General Conditions, Attachment B – Required Elements of the DRI Plan of Development and Attachment C – Required Improvements to Serve the DRI as per GRTA Notice of Decision shall be considered conditions of this rezoning and their provisions shall be enforced as such.

Attachment A – General Conditions

Roadway Improvements as Conditions to GRTA Notice of Decision:

Applicant shall make the following improvements on and adjacent to City of Atlanta roads:

- Install a sidewalk on all adjacent frontages along Fairburn Road and Hogan Road.

Applicant shall make the following improvements on and adjacent to state routes, subject to GDOT approval:

- Camp Creek Parkway at Centre Parkway:
 - Provide two eastbound left turn lanes into the site
 - Provide an exclusive westbound right-turn lane into the site
 - Provide a third southbound left-turn lane out of the site creating triple lefts, when third eastbound lane is provided
 - Provide an exclusive right-turn lane out of the site
- Provide an additional (i.e., third) exclusive westbound through lane on Camp Creek Parkway along the entire frontage of the property

Attachment B – Required Elements of the DRI Plan of Development

Conditions Related to Altering Site Plan after GRTA Notice of Decision:

The on-site development will be constructed materially (substantially) in accordance with the Site Plan. Changes to the Site Plan will not be considered material or substantial so long as the following conditions are included as part of any changes:

- All of the conditions set forth in Attachment A are satisfied.
- Except for Pod G, all pods shall be accessible to each other through on-site public roadways, without using roadways external to the site plan.
- Each side of each internal roadway shall have a sidewalk, multi-use trail, or pedestrian trail.
- Provide sidewalks, multi-use trails, or pedestrian trails that connect all land uses within the development.
- Provide vehicular access connection between parking areas of all retail/commercial portions of the development.
- The property shall accommodate and allow interparcel access wide enough for a two-way vehicular and pedestrian facility along the eastern property line at a point within 1,000 feet of Camp Creek Parkway. The access is to be maintained in the event a future connection becomes available from an adjacent roadway or driveway.
- Provide a multi-use trail adjacent to a roadway that connects Camp Creek Parkway with Fairburn Road.
- Provide a “proposed trail” (i.e., sidewalk, multi-use trail, or pedestrian trail) that connects the south portion of the “existing lake” approximately at the south property line near Camp Creek Parkway (adjacent to Pod B, Pod, D or Pod F) to an access point at the “Atlanta Nature Preserve” (adjacent to Pod M).
- Provide a trail (i.e., sidewalk, multi-use trail, or pedestrian trail) completely around the “existing lake” in Pod D.
- Provide at least one vehicular and pedestrian access point to Hogan Road.
- Provide a minimum of two roundabouts within the internal roadway network.
- Provide at least one pedestrian access point to the Atlanta School Site.
- Provide at least one pedestrian access point from Pod F to Pod L (this may include access through a pocket park).
- Provide at least two vehicular access points from Pod L (southwest single-family residential) to the Redwine Parkway.
- Provide at least two vehicular access points from Pod K (southeast single-family residential) to the Redwine Parkway.
- Provide at least one pedestrian access point from Pod H to Pod M (the on-site nature reserve) with final connection ending at the “proposed trail.”
- Provide at least one pedestrian access point from Pod I (eastern single-family residential) to Pod M (the on-site nature reserve) with final connection ending at the “proposed trail.”
- Provide at least one pedestrian access point from Pod E (townhomes) to Pod M (the on-site nature reserve) with final connection ending at the “proposed trail.”
- Provide at least one pedestrian access point from Pod J (the amenities site) to Pod M (the on-site nature reserve) with final connection ending at the “proposed trail.”
- Provide at least two pedestrian access connections from Pod F office structures to the “proposed trail” along the lake.
- Pedestrian access at the eastern property line in Pod M (the on-site nature reserve) could be accommodated to an off-site pedestrian pathway north and/or east to the City of Atlanta Nature Preserve.

2-02-41

page 2 of 5

- The development shall consist of retail/commercial, residential, and office land uses.
- Provide at least three bus stops, with shelters and connecting sidewalks, within the development, at a minimum, according to MARTA requirements, in the event that bus service begins by the full build-out year.
- Provide crosswalks for continuing a sidewalk, multi-use trail, or pedestrian trail at a roadway intersection.
- The office structures in Pod F shall front either the "proposed parkway" or the primary access driveway to the office component of the development, similar to what is depicted on the Site Plan. Direct pedestrian access and a ground-level entrance, facing the sidewalks along either of these two roadways, must be provided.

Attachment C – Required Improvements to Serve the DRI

Pursuant to Section 1-201.R. of the *Procedures and Principles for GRTA Development of Regional Impact Review*, a "Required Improvement means a land transportation service [def. in Section 1-201.N] or access [def. in Section 1-201.A.] improvement which is necessary in order to provide a safe and efficient level of service to residents, employees and visitors of a proposed DRI."

The Required Improvements in the study network were identified in the Review Package as necessary to bring the level of service up to an applicable standard before the build-out of the proposed project. These requirements are identified in Sections 1 and 2 of this Attachment. Section 1 contains improvements that do not require GRTA approval at this time because they are to be constructed by the Applicant prior to the completion of the DRI Plan of Development. However, GRTA approval shall be required in the event state and/or federal funds are proposed at a later date to be used for any portion of the improvements described in Section 1. Section 2 contains improvements that require GRTA approval prior to the expenditure of state and/or federal funding. Subject to the conditions set forth in Attachment A and Attachment B, GRTA approves the expenditure of state/and or federal funding for the improvements contained in Section 2.
