I, Linda Adams, have been a resident of the Vine City community for over eleven (11) years. Over the last years I have seen many changes and improvement in this community. I became involved in this community once I saw that this community could become one of the best communities in the city of Atlanta.

Since I've been a resident of this community I graduated from the first Police and Fire Citizen Academy of Atlanta. I held the chair position of the Citizen Advisory of Zone 1 Police Department. For over two (2) years I was the chair of the Public Safety committee for Vine City Civic Association and present hold the chair position for the NPU-L public safety committee in which I've held for over five (5) years. I conducted numerous community clean ups and walk thrus getting the residents and property owners involved in cleaning up their community for the safety of everyone. I held the first Halloween Activities in the community, theme was to "Treat our kids and not Trick our kids". There was over 200 kids in attendance and every child was given a goodie bag not only of candy, but safety tips as well. We partner with the Police Department, City Council, Nationwide Insurance Company and several businesses in the community. I provide Thanksgiving Dinner for the senior citizen as well the community resident feeding over 300 people. I worked with the GWCC in many different actives for the youth. I participated in the Smoke Out Program with the Atlanta Fire Department installing smoke detectors in resident's homes; we have installed smoke detectors in over four (4) communities in the city. I attended workshops focusing on public safety. I participated with the Project Safety program that is sponsored by the Justice Department. I sponsor the first Flower Garden in the Vine City community, this will not only beautify the community but it help to prevent from having another over grown vacant lot. I have sponsored and participated in many community mid night walk thrus with the Atlanta Police, Fire Department, Sanitation Department, Health Department and many others who have a day-to-day impact in my community focusing on improvements and safety.

With all of my many positions and involvement in my community, I am a mother of three, one son who is deceased, two daughters and two lovely granddaughters. I was employed for over twenty-four (24) years with a major advertising company. I attend New Beginning Full Gospel Baptist Church under the great leadership of Bishop James H. Morton. I was one of the coaches for the girl's basketball team for over two (2) years.

It gives me great pleasure to serve on the Tax Allocation Advisory Board! It will give me the opportunity of learning more on how I can help my community and the other surrounding communities in the development and public improvements.

I am looking forward to being a better service for my community.

Sincerely yours,

Linda Adams  
Vine City Resident
