Council President Lisa Borders
Members of the Atlanta City Council
City Hall 2nd Floor Suite 2900
55 Trinity Avenue, SW
Atlanta, Georgia 30335

Dear President Borders and Members of Council:

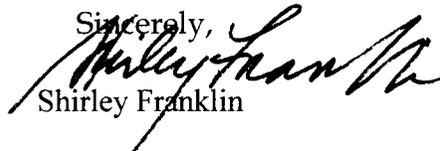

I hereby return with my veto, ^{Ordinance} Resolution # 04-O-1376

On August 16, 2004 the Atlanta City Council adopted Ordinance #04-O-1376 to establish a moratorium on the acceptance of permits for the replatting or subdivision of lots in the land lots 116, 117, 118, 138 and 139 of the 17th District of Fulton County, and for other purposes.

Atlanta is experiencing infill development activity throughout the various sections of the city. This activity enhances our residential housing stock for the numerous persons who desire to reside inside our borders. Although we are pleased with this resurgent interest in urban living, we also realize that this demand must be balanced with the protection of our wonderful communities. However, our approach to ensuring positive growth should be well thought out and based on defensible principals. I believe that these principals can be best achieved by funding the City Council's suggested comprehensive review of the Zoning Code. I have approved ^{Ordinance} Resolution # 04-O-1377, as adopted by the City Council on August 16, 2004 which suggests that a revised Zoning Code would have, as one of its objectives, the encouragement of compatible new residential construction where appropriate.

^{Ordinance} Based on the rationale as outlined in this letter, I urge you to sustain my veto of Resolution #04-O-1376.

^{Ordinance}

Sincerely,

Shirley Franklin
