ARNOLD P. "Arnie" SILVERMAN

In 1995, when Arnie Silverman founded SILVERMAN | Construction Program Management, he backed the company with more than 30 years of professional experience planning and managing commercial construction programs. He has assembled a team of experienced professionals to provide planning and management assistance to owners and organizations faced with the daunting task of building and renovating new and existing facilities. Silverman is known for its experience, knowledge, fairness, and dedication to the owners' interests.

After receiving a bachelor's degree in electrical engineering from the Stevens Institute of Technology, and a master's degree in business administration from Columbia University, Arnie began his construction career in New York and became vice president and general manager of Sweet Associates where he managed a variety of construction projects of up to \$25 million in size.

In 1979, he and his brother Robert Silverman purchased The Winter Construction Company in Atlanta. As President and Chief Operating Officer, Arnie oversaw an increase in revenue from \$2.5 million to over \$88 million. He played a major role in the construction of many of the Atlanta region's most high profile buildings and facilities. Throughout his tenure with Winter, Arnie managed projects for universities, private and public schools, arts and cultural organizations, and private and corporate developers.

Arnie has held professional memberships in the American Concrete Institute, the American Society of Concrete Construction, and served as President of the Associated Builders and Contractors of Georgia. He presently is a member of the Construction Managers Association of America. His numerous community activities have included positions on the Boards of The Paideia School (where he served as Chairman of the Building Committee), GlenCastle Constructors (where he was a founding member), Genesis Shelter, Inc., Olmsted Linear Park Alliance, Park Pride, Parks Atlanta Rescue Coalition, Piedmont Park Conservancy (Treasurer, Executive Committee, and Capital Projects Committee), The Carter Center Board of Councilors, and the Landscape Advisory Committee of The Carter Center.

Arnie has been appointed to a variety of important positions in both the City of Atlanta and DeKalb County. In 2002 Arnie was appointed to the Task Force for Parks and Greenspace for the City of Atlanta by Mayor Shirley Franklin. In 2003 he was selected by DeKalb CEO Vernon Jones to be his representative on the Green DeKalb Advisory Council. In July 2003, Mayor Franklin appointed Arnie to the City of Atlanta Parks Commission. In November 2003 DeKalb CEO Jones asked him to serve as the DeKalb County representative to the MARTA board. In 2004, the Atlanta City Council appointed Arnie to the Elected Official Compensation Commission.
