**RE: 07-R-0318 NTP for Architectural and Engineering Services for Fire Station 11**

Dear Chief Pridgeon:

Attached herewith is a resolution correcting the FAC number contained in the above referenced resolution. This correction is necessary because a new FAC was set up by Finance to receive the Tax Allocation District funds.

I am requesting that this resolution be expedited so that we can quickly proceed with the A&E work and avoid further escalation in building costs. We are on a tight budget and need to break ground as soon as possible.

Your assistance in this matter is greatly appreciated.

Best Regards,
