WHEREAS, the water and sewer rates established in Ordinance 08-O-0744 “for the time period beginning July 1, 2009 and terminating June 30, 2012” were ordained in Section 7 of said ordinance to “not take effect if the City Internal Auditor has not completed and released an audit of the Department of Watershed Management to the City Council by March 31, 2009”; and

WHEREAS, the Department of Watershed Management has cooperated and continues to cooperate fully with the audit team and audit process; and

WHEREAS, the City Internal Auditor requests a one-month extension to complete and release the required audit report to the Atlanta City Council; and

WHEREAS, it is in the best interests of the City of Atlanta to grant the City Internal Auditor’s request for a one-month extension to complete and release the required audit report to the Atlanta City Council without impacting the City’s ability to implement the water and sewer rates established for the time period beginning July 1, 2009 and terminating June 30, 2012.
