Dear Clerk Johnson,

The Atlanta Fire Rescue Department (AFRD) would be honored to have one of our members to serve on the commission to honor Reverend James Orange. The Atlanta Fire Rescue Department has devoted many years of dedicated collaboration and support of the efforts of Reverend Orange as he continued his journey as a strong untiring leader in the civil rights, labor relations and other movements.

After careful consideration of all AFRD members who have come to understand the level of commitment, dedication, and leadership of Reverend Orange during and beyond the civil right struggle, we have selected Firefighter/EMT Sharyl D. Chatman, Jr. to honorably serve as our representative on this distinguish commission. Firefighter Chatman is a resident of the City of Atlanta and has served the AFRD in various capacities with involvement in community and outreach activities specifically related to youth and neighborhood empowerment. I am confident that Firefighter/EMT Chatman will serve intensely to honor this great icon of our rich southern history in the civil rights movement.

Firefighter/EMT Chatman has given six years of dedicated service to AFRD and presently is assigned to the Office of the Fire Chief in the Office of Assessment and Planning section, which oversees the Accreditation process; serves as the departmental ATLStat representative (performance management process) and other strategic planning activities. Since joining the AFRD, Firefighter Chatman has committed herself to several community-based programs such as, the Atlanta Smoke Alarm Program (ASAP), Brown Middle School's "Project Nobility", and the Annual Atlanta Firefighter Memorial Program. Other volunteer efforts include serving on the Hurricane Katrina Response Team and Special Operations Technical Rescue Unit.

Please contact me if any additional information is required.

Sincerely,

Joel G. Baker
Interim Fire Chief
Atlanta Fire Rescue Department
