MEMORANDUM OF UNDERSTANDING
BETWEEN THE CITY OF ATLANTA AND THE PIEDMONT PARK CONSERVANCY.

THIS MEMORANDUM OF UNDERSTANDING (this "MOU") is entered into as of the ___ day of May 2010, between the CITY OF ATLANTA, a municipal corporation, chartered pursuant to the laws of the State of Georgia (the "City"), and the Piedmont Park Conservancy, a Georgia non-profit corporation ("Piedmont Park Conservancy") for the purpose of implementing green building training programs within the City.

BACKGROUND:

WHEREAS, the Department of Executive Offices Division of Sustainability (the "Division of Sustainability") is aimed at making the City of Atlanta ("City") more sustainable by improving the City's "green" programs and policies such as water and energy conservation, reducing the City's solid waste and emissions, and improving the rates of recycling; and

WHEREAS, on June 26, 2009 the Division of Sustainability applied for funds from the U.S. Department of Energy's ("DOE") Energy Efficiency and Conservation Block Grant to fund their sustainability efforts and operations through June 2012; and

WHEREAS, the City will act as a pass-through agency for grant funds by making sub-awards to eligible grant sub-recipients; and

WHEREAS, the sub-recipients were selected from applications submitted to the City, and in conformance with all applicable rules, codes and regulations; and

WHEREAS, the Division of Sustainability has been awarded funds in the total amount of $5,658,264.00 from the DOE to implement energy efficiency plans and programs within City facilities and the community; and

WHEREAS, Piedmont Park Conservancy has been chosen as a sub-recipient to receive a grant award from the City in the amount of $15,410.00; and

WHEREAS, the City and Piedmont Park Conservancy wish to memorialize the terms of the grant award in the form of a Memorandum of Understanding in order to facilitate the implementation of energy efficiency programs.

ACCORDINGLY, the parties agree as follows:

1. **General Agreements:** The following represents the basic responsibilities of the City and Piedmont Park Conservancy regarding the grant award:

a. The Division of Sustainability shall set the scope of the work to be performed by Piedmont Park Conservancy with respect to the purchase recycling bins to be funded through the grant award, and will approve all activities Piedmont Park Conservancy develops to accomplish the implementation of such programs.

b. The Division shall be responsible as grantee for the pass-thru grant dollars for the activities of Piedmont Park Conservancy; to report to and ensure compliance with the funder.

c. Piedmont Park Conservancy shall comply with all DOE requirements with respect to the grant award.

d. Piedmont Park Conservancy shall provide matching funds in the amount of 50% of the grant award.

e. Piedmont Park Conservancy will take the necessary steps to educate citizens using the park about the recycling options in the park.

f. Piedmont Park Conservancy will take the necessary steps to ensure compliance with the federal wage guidelines contained in the Davis- Bacon Act, and will submit a report on the jobs created and the use of grant funds to the Division of Sustainability on a quarterly basis or as mandated by the US Department of Energy.

g. Piedmont Park Conservancy will register as a City vendor, and maintain the adequate insurance liability coverage and crime and/ or fidelity bond as determined by the Division of Sustainability and the City's Risk Management Division.

2. **Term:** The term of this MOU shall be three (3) years.

3. **Funding Restrictions**: The City of Atlanta will not fund Projects that would:

a. Threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including requirements of DOE and/or Executive Orders;

b. Require siting and construction or major expansion of waste storage, disposal, recovery, or treatment facilities (including incinerators);

c. Disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that preexist in the environment such that there would be uncontrolled or unpermitted releases; or

d. Adversely affect environmentally sensitive resources. Environmentally sensitive resources include, but are not limited to:

e. Property (e.g., sites, buildings, structures, objects) of historic, archeological, or architectural significance designated by Federal, state, or local governments or property eligible for listing on the National Register of Historic Places;

f. Federally-listed threatened or endangered species or their habitat (including critical habitat), Federally- proposed or candidate species or their habitat, or state-listed endangered or threatened species or their habitat;

g. Wetlands regulated under the Clean Water Act (33 U.S.C. 1344) and floodplains;

h. Areas having a special designation such as Federally- and state-designated wilderness areas, national parks, national natural landmarks, wild and scenic rivers, state and Federal wildlife refuges, and marine sanctuaries;

i. Prime agricultural lands;

j. Special sources of water (such as sole-source aquifers, wellhead protection areas, and other water sources that are vital in a region); and

k. Tundra, coral reefs, or rain forests.

4. **Waste Stream Conditions:** The City shall obtain a waste management plan addressing waste generated by a proposed Project prior to funding projects or awarding a sub-grant for a Project. This waste management plan will describe the recipient's plan to dispose of any sanitary or hazardous waste (e.g., construction and demolition debris, old light bulbs, lead paint, lead ballasts, piping, roofing material, discarded equipment, debris, and asbestos) generated as a result of the proposed Project. The City shall make the waste management plan and related documentation available to DOE on DOE's request (for example, during a post-award audit). The City shall ensure through specific contract terms that the Sub-recipient complies with all Federal, state and local regulations for waste disposal.

5. **National Historic Preservation Act Compliance**: Prior funding projects or awarding a sub-grant for a Project, the City shall comply with Section 106 of the National Historic Preservation Act ("NHPA"). If applicable, the Sub-recipient must contact the State Historic Preservation Officer ("SHPO"), and the Tribal Historic Preservation Officer ("THPO"). The City shall retain sufficient documentation to demonstrate that the Sub-recipient has received required approval(s) from the SHPO or THPO for the Project. The City shall deem compliance with Section 106 of the NHPA complete only after it has this documentation. The City shall make this documentation available to DOE on DOE's request (for example, during a post-award audit).

6. **Governing Law:** This MOU shall be interpreted and construed in accordance with the laws of the State of Georgia.

7. **Notices:** All notices, demands and requests required under this MOU must be in writing and sent to the parties in the manner described below:
