**A SUBSTITUTED ORDINANCE BY THE FINANCE
EXECUTIVE COMMITTEE
AND AMENDED BY FULL COUNCIL**

10-O-0911

AN ORDINANCE TO AMEND SECTION 6-37(c) AND 6-37(d) OF THE 1978 PENSION ACT (RELATED LAWS) OF THE CODE OF ORDINANCES OF THE CITY OF ATLANTA SO AS TO PROVIDE FOR NEW EMPLOYEES A FIFTEEN (15) YEAR VESTING SCHEDULE, TWO PERCENT (2.0%) MULTIPLIER FOR ALL CREDITABLE YEARS OF SERVICE, ONE HUNDRED PERCENT (100%) CAP OF AVERAGE EARNINGS, TO REPEAL CONFLICTING ORDINANCES, AND FOR OTHER PURPOSES.

WHEREAS, the Atlanta City Council in 2001 and 2005 passed several amendments that increased the multiplier to 2.5%; shortened the vesting schedule and capped benefits at 80% of average monthly earnings; and

WHEREAS, the escalating future liability costs of providing these benefits under these amendments are becoming financially unsustainable for the City; and

WHEREAS, the City desires to provide a benefit that will continue to increase over the life span of employment; and

WHEREAS, the City's intent is to restructure the benefits levels to those required by the general assembly.

THE COUNCIL OF THE CITY OF ATLANTA, GEORGIA HEREBY ORDAINS AS FOLLOWS:

SECTION ONE: That Chapter Six, Article II, Section 6-37 (c) of the Related Laws Section of the Code of Ordinances of the City of Atlanta be amended by deleting subsection (c) in its entirety and the following inserted in lieu thereof:

All officers and employees who shall elect or are required to come under the terms of this amendment, may as a matter of right retire from active service and receive a monthly pension benefit hereinafter set forth and referred to hereinafter as a "normal monthly pension benefit," provided such person shall have served **15 years** in the active service of such city and shall have attained the age of 60 years prior to commencement of such benefit. Upon such officer or employee retiring as a matter of right, such person shall be paid thereafter a normal monthly pension benefit equal to **two percent (2.0%)** of such person's average monthly earnings multiplied by the number of such person's years, or fraction thereof, of creditable service and that normal pension benefit shall not exceed **one hundred percent (100%)** of such person's average monthly earnings. Average monthly earnings shall be the average of the monthly earnings of the highest three (3) consecutive years' salary or earnings during the term of employment. In computing the average monthly earnings, if the officer or employee shall have received a lump sum payment for compensation, accumulated vacation, sick leave bonus pay, or similar benefits, the amounts of such payments shall be equally distributed over the period of time in which such compensation or benefit was earned or accumulated.

Effective September 1, 2005, the following employees shall be eligible to participate under the terms of this act:

(1)

An employee of the City of Atlanta who was participating under the terms of this act on August 31, 2005;

(2)

An employee of the City of Atlanta who transfers his account balance under the City of Atlanta Defined Contribution Plan to the fund established under this act pursuant to section 6-102;

(3)

An employee of the City of Atlanta who commences or recommences permanent, full-time employment on or after September 1, 2005 as a classified employee, as defined in section 114-84 of the Code of Ordinances of the City of Atlanta;

(4)

An employee of the City of Atlanta who commences or recommences permanent, full-time employment on or after September 1, 2005 at payroll grade level 18 or below;

(5)

A permanent, full-time employee of the City of Atlanta who is either a classified employee, as defined in section 114-84 of the Code of Ordinances of the City of Atlanta, or employed at grade level 18 or below and who on or after September 1, 2005 ceases to be ineligible to participate under the terms of this act by reason of being a non-civilian employee in the Department of Fire Services or a sworn officer of the Department of Police Services; and

(6)

An employee of the Atlanta Independent School System who is not covered under the Teachers Retirement System of Georgia.

Notwithstanding the foregoing, an individual who is or at any time becomes a temporary or casual employee, an employee hired on a contract basis, an employee with an account balance under the City of Atlanta Defined Contribution Plan who has not elected to transfer his account balance to the fund established under this act pursuant to section 6-102, a non-civilian employee in the Department of Fire Services or a sworn officer of the Department of Police Services shall not be eligible to participate under the terms of this act while classified as one of the foregoing. Furthermore, civilian employees hired as police recruits or fire recruits in anticipation of becoming sworn officers of the Department of Fire or Department of Police shall be ineligible to participate under the terms of this act. All employees eligible to participate under this act shall be required to do so.

SECTION TWO: That Chapter Six, Article II, Section 6-37 (d) of the Related Laws Section of the Code of Ordinances of the City of Atlanta be amended by deleting subsection (d) in its entirety and the following inserted in lieu thereof:

All officers and employees, who shall elect or be required to come under the terms of this amendment, may as a matter of right retire from active service and receive an early retirement benefit, hereinafter referred to as "early monthly retirement benefit," provided such person shall have served **15 years** in the active service of such city. When such officer or employee shall elect early retirement as a matter of right, such person shall be paid thereafter an early monthly retirement benefit equal to a normal monthly pension benefit less one-half (1/2) of one percent (1%) per month for each month not to exceed 60 months that the officer or employee lacks in being 60 years of age and one-fourth (%) of one percent (1%) per month for each month in excess of 60 months that the officer or employee lacks in being 60 years of age. Provided, however, as to any officer or employee coming under the terms of this act who was in the employment of such city prior to the effective date of this amendment, such officer or employee may elect a monthly pension benefit, hereinafter referred to as a "reduced monthly pension benefit," provided such person shall have served 25 years and shall have attained the age of 55 years. Said reduced monthly pension benefit shall be equal to a normal monthly pension benefit less one-twelfth (1/12) of two percent (2%) per month for each month the officer or employee lacks in being 60 years of age.

SECTION THREE: The Administration will provide The City Council with the actuarial report for this fund.

SECTION FOUR: This ordinance shall be applicable to all new hires employed after the effective date of this ordinance.

SECTION FIVE: All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed to the extent of such conflict.
