FOR THE PROVISION OF
ANIMAL CONTROL SERVICES
BETWEEN
FULTON COUNTY, GEORGIA
AND
ATLANTA, GEORGIA**

THIS INTERGOVERNMENTAL AGREEMENT ("Agreement"), by and between Fulton County, Georgia ("County") and the City of Atlanta, Georgia ("City") within Fulton County is entered into this _____ day of _____, 2010.

WHEREAS, Fulton County, Georgia is a constitutionally created political subdivision of the State of Georgia; and

WHEREAS, the Georgia Constitution, ARTICLE IX, Section 2, Paragraph 3, except as otherwise provided by law, prohibits cities and counties from exercising governmental authority within each other's boundaries except by Intergovernmental Agreement; and

WHEREAS, the County and City desire to enter into an Intergovernmental Agreement for the County to respond to citizens' requests for animal control services twenty-four (24) hours per day within the corporate limits of the City; and

WHEREAS, there is a need to control rabies, investigate cruelty complaints, and investigate animal bites within the corporate limits of the City upon request of the City; and

WHEREAS, the County has the capacity to provide such services through a contract with an approved animal control services vendor; and

WHEREAS, the City wishes to purchase animal control services within its corporate limits and delegate response to animal control complaints by its citizens twenty-four (24) hours per day, such response to be made in accordance with the terms of the animal services contract; and

WHEREAS, the County wishes to provide such services to the City through a contract with an approved animal control services vendor under the direction and control of the County;

NOW THEREFORE, in consideration of the following mutual obligations, the County and City agree as follows:

ARTICLE 1

PURPOSE AND INTENT

1.1 The County agrees to provide animal control services through a contract with an animal control services vendor within the corporate limits of the City. The purpose of such service is to enforce Georgia's animal control laws and the County's Animal Control Ordinances.

1.2 The County agrees to provide a response to requests for animal control services within the City in accordance with the time periods specified in the County's contract with its approved animal control services vendor.

1.3 The County agrees to provide rabies control services within the corporate limits of the City upon request of the City and in accordance with the approved contract with the animal control services vendor.

ARTICLE 2

TERM OF AGREEMENT

2.1 The term of this Agreement is for one (1) year commencing on July 1, 2010 and concluding on June 30, 2011. At the conclusion of this term, the City will be solely responsible for providing all animal control services within its boundaries, with the exception of state mandated rabies control response which the County will continue to provide unless the term of the Agreement is extended in accordance with the terms of this Agreement. This Agreement may be extended for additional terms by mutual agreement approved by both governing bodies.

ARTICLE 3

COMPENSATION AND CONSIDERATION

3.1 During the first term of this agreement and each subsequent term thereafter, the cost to the City will be based on the classification and location of calls received by the animal control services vendor during the previous year with the payment amount determined by the following formula:

$$\text{Payment Amount} = Y (A) (C/TC)$$

Y = Percentage of response NOT related to state mandated county rabies control responses.

A = Contract Award Amount plus Indirect Cost (Applicable County Full Cost Plan)

C = Number of responses to requests for animal control service within the City or unincorporated Fulton County

TC = Total number of responses for each municipality and Fulton County

The payment amount for each municipality and Fulton County and an example calculation is included (Attachment 1).

3.2 The City shall be responsible for paying fifty percent (50%) of the total compensation amount due under this Agreement at commencement of this Agreement. The commencement of the Agreement shall occur on the first day of the term of the Agreement. Upon commencement of the Agreement and prior to performing animal control services herein, the County will invoice the City in an amount that equals fifty percent (50%) of the compensation due under the Agreement. The invoice will include compensation under the Agreement for six months of animal control services. Payment will be due within sixty (60) days of the invoice date and should be sent to the Fulton County Finance Department, Treasury Division, Suite 7001, 141 Pryor Street, SW, Atlanta, GA 30303. Failure to remit payment to Fulton County within sixty (60) days of the invoice date may result in suspension of services to the City until such time as the payment is received or termination of the Agreement.

ARTICLE 4

ANIMAL CONTROL SERVICES

4.1 The County agrees to contract with an animal control services vendor to provide animal control services within the County, including within the boundaries of the City.

4.2 The City recognizes the County will provide animal control services through a contract awarded to an independent animal control services vendor selected by the County Board of Commissioners.

4.3 The County and the City recognize that the City shall have the right to request of the County that it assign tasks to the animal control services vendor pursuant to this agreement. Supervision and the means by which tasks are accomplished shall be the responsibility of the County through the animal control services contract administrator.

ARTICLE 5

RECORD KEEPING AND REPORTING

5.1 The County agrees to provide the City with all reports stipulated in the animal control service vendor's contract and access to records the vendor is required to maintain in accordance with the vendor's contract.

ARTICLE 6

TERMINATION

6.1 The parties agree that the City may, upon sixty (60) days written notice to the County, terminate this agreement upon its determination it wishes to provide its own animal control services. The parties agree that the County may, upon sixty (60) days written notice to the City, terminate this agreement which would require the City to provide its own animal control services, except for state mandated rabies control.

ARTICLE 7

EVENT OF DEFAULT AND REMEDY

7.1 An event of default shall occur if the County fails to provide animal control services as stipulated in the current animal control service vendor’s contract, through an animal control services vendor as selected by the County Board of Commissioners or the City shall be in default if the City fails to pay the initial fifty percent (50%) of the total contract amount or any subsequent payment due pursuant to Article 3 of this Agreement.

7.2 If the City fails to cure an Event of Default within thirty (30) days, then the city agrees that it will be responsible for providing its own animal control services at its own cost and expense and that any outstanding payments or amounts due to the County will constitute liquidated damages, and not a penalty, under this Agreement.

7.3 If the County defaults, the County agrees that the City may provide animal control services, as stipulated in the current animal control services vendor’s contract, in any manner the City decides, with the County to bear all reasonable and necessary costs associated with the City providing those services during the Term of Agreement. Payment by the County to the City will be made within sixty (60) days of receipt of a City invoice.

7.4 If one or more Events of Default listed in this Article shall occur, the party suffering from the default shall provide written notice of default within thirty (30) days to the defaulting party. After receiving notice of default, the party in default shall have thirty (30) days to cure any default. If the default is not cured within thirty (30) days, the party that is not in default may terminate the Agreement.

ARTICLE 8

ENTIRE AGREEMENT

8.1 It is understood that the terms of this agreement include all of the agreements made by the County and the City without regard to any oral conversations which may have taken place prior to execution or subsequent thereto and that any changes shall be made in writing and agreed to by both parties.

ARTICLE 9

SEVERABILITY

9.1 If a court of competent jurisdiction renders any provision of this Agreement (or portion of a provision) to be invalid or otherwise unenforceable, that provision or portion of the provision will be severed and the remainder of this Agreement will continue in full force and effect as if the invalid provision or the invalid portion of the provision were not part of the Agreement.
