AN ORDINANCE BY COUNCILMEMBER YOLANDA ADREAN**AN ORDINANCE TO AUTHORIZE THE MAYOR OR HIS
DESIGNEE TO AUTHORIZE THE DEPARTMENT OF
PUBLIC WORKS TO WAIVE THE VEHICULAR SPEED
REQUIREMENT FOR SPEED HUMPS IN ORDER TO
INSTALL SPEED HUMPS ON VERNER STREET, NW;
AND FOR OTHER PURPOSES.**

WHEREAS, Verner Street, NW is a small, residential street off of a major arterial road, Howell Mill, and therefore receives a high volume of cut-thru traffic; and

WHEREAS, the Berkeley Park Neighborhood, which Verner Street falls within, has been requesting speed humps on Verner Street for years now, and has become frustrated being that after several speed hump studies the street only missed the warrants by a small margin in regards to the speed limit requirement; and

WHEREAS, the Berkeley Park Neighborhood agreed to forgo more decorative crosswalks as a part of Chattahoochee/Howell Mill intersection project done by the City of Atlanta, and instead agreed to use the money saved for the installation of traffic calming devices, such as speed humps, within the neighborhood; and

WHEREAS, taking into consideration the reasons listed above coupled with the petition the neighborhood has already submitted verifying that 86% of the property owners on Verner support the speed humps, it seems that an exception to the speed hump technical requirements and the installation of speed humps on Verner is warranted.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF ATLANTA, as follows:

Section 1: That the speed limit technical requirements for the installation of speed humps be waived for the purpose of installing speed humps on Verner Street, NW.

Section 2: That the Department of Public Works install the speed humps on Verner Street using funds leftover from the Chattahoochee/Howell Mill intersection project designated for traffic calming devices within the Berkeley Park Neighborhood.

Section 3: That all ordinances and parts of ordinances in conflict herewith be and the same are hereby repealed.
