EXPERIENCE

Alston & Bird LLP, Atlanta, Georgia

Sept. 2004 – Present

Associate, Products Liability Practice Group

Licensed in Georgia and Florida

Serve as senior associate on various teams representing clients in matters involving product liability, consumer product and automobile regulations, contract disputes, toxic torts, and intellectual property. Experience includes:

- Advise clients on requirements of National Highway Traffic Safety Administration for motor vehicles and equipment and assist in recalls and safety programs;
- Manage major chemical company's asbestos litigation pending in Florida, Georgia, Illinois, and Pennsylvania with responsibility for managing local counsel, docket management, taking and defending key fact, expert, and corporate representative depositions, managing discovery, conducting motions practice, trial preparation, and trial advocacy;
- Advise consumer product clients on contractual language regarding various issues including warranties and indemnification;
- Represent various product manufacturers before the Consumer Product Safety Commission with experiences such as:
 - Coordinating product recall programs for nationwide and international safety recalls for diverse product portfolios;
 - Advising clients on obligations under Consumer Product Safety Act, Consumer Product Safety Improvement Act of 2008, and Flammable Fabrics Act;
 - Consulting with clients to design proactive testing, certification, and compliance programs for building products, toys, children's products, apparel, floor coverings, and electronic equipment; and
 - Represented clients in Commission civil penalty investigations;
- Counsel various chemical companies in mass tort actions claiming various injuries allegedly caused by exposure to industrial chemicals in both federal and state court;
- Prepared for and participated in a four week trial in plaintiff-friendly jurisdiction which resulted in a successful verdict;
- Developed structure for cellular telephone manufacturing client's consumer product regulatory compliance program in Europe and Southeast Asia;
- Acted as scientific counsel for major cellular telephone manufacturer in action brought by the Office of the Consumer Protection Board of Thailand which resulted in successful outcome;

- Participated on trial team for patent infringement case before the International Trade Commission with responsibilities involving technical development of noninfringement arguments with company witnesses and offensive discovery; and
- Contributing author of *Defending Consumer Class Actions* presented at 2008 Defense Research Institute, Products Liability Litigation Seminar; drafted numerous client advisories and other firm publications for client development.

ExxonMobil Chemical Co., Baton Rouge, Louisiana

Jan. 2000 – Aug. 2001
