Section 2.2. Supplemental Pricing Resolution. (b) The City will receive a report from an Independent Certified Public Accountant to the effect that the payments required to be made into each account of the Sinking Fund have been made and the balance in each account of the Sinking Fund is not less than the balance required by the Bond Ordinance as of the date of issuance of the Series 2013B Bonds.

The Bond Ordinance contains a more particular statement of the covenants and provisions securing the Series 2013B Bonds, the conditions under which the owner of this Bond may enforce covenants (other than the covenant to pay principal of and interest on this Bond when due from the sources provided, the right to enforce which is unconditional), the conditions upon which additional revenue bonds may be issued on a parity or achieve parity status with this Bond under the Bond Ordinance, and the conditions upon which the Bond Ordinance may be amended with the consent of the owners of a majority in aggregate principal amount of the Bonds (as defined in the Bond Ordinance) of each class (senior and subordinate) outstanding or the issuer of any Credit Facility (as defined in the Bond Ordinance), if any, of such Bonds. Upon the occurrence of an Event of Default under the Bond Ordinance, the owner of this Bond shall be entitled to the remedies provided by the Bond Ordinance and the Revenue Bond Law.
