**AN ORDINANCE AMENDING CHAPTER 22, ARTICLE III, DIVISION 7, OF THE CODE OF ORDINANCES OF THE CITY OF ATLANTA; TO CREATE CODE SECTION 22-206 TITLED OFF-AIRPORT PARKING OPERATORS ON BEHALF OF THE DEPARTMENT OF AVIATION GROUND TRANSPORTATION DIVISION, FOR THE PURPOSE OF RESTRUCTURING THE FEES THE CITY ASSESSES OFF-AIRPORT PARKING OPERATORS; AND FOR OTHER PURPOSES.**

**WHEREAS**, Hartsfield-Jackson Atlanta International Airport (the "Airport") is the world's busiest airport, responsible for facilitating the movement of 88 million passengers in 2009; and

**WHEREAS**, the Airport is working on a multi-billion dollar expansion project, which includes an International Terminal, and the enhancement of the nearly 30 year-old Central Passenger Terminal Complex; and

**WHEREAS**, the Airport's projects will increase its capacity and efficiency and require greater operational flexibility in order to meet the growing and evolving needs of the traveling public; and

**WHEREAS**, Chapter 22, Article III, Division 7, of the Code of Ordinances of the City of Atlanta, sets forth ground transportation services at the Airport; and

**WHEREAS**, the City desires to create a section for off-airport parking operators and to increase the fees assessed to off-airport parking operators using the Airport; and

**WHEREAS**, the fees charged off-airport parking operators have not been adjusted in more than 20 years and the revenues received from such fees is far below industry standard; and

**WHEREAS**, the City conducted an analysis off-airport parking operators at other airports and found that overwhelmingly off-airport parking operators pay airports a percentage of gross revenues for airport use; and

**WHEREAS**, accordingly, the City desires to restructure its off-airport parking fees to align itself with the industry.

**NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF ATLANTA, GEORGIA AS FOLLOWS:**

**SECTION 1:** That Chapter 22, Article III, Division 7, Subdivision 1, of the Code of Ordinances of the City of Atlanta, Georgia, be amended to create a new section as follows:

Sec. 22-206 Off-Airport Parking Operators.

- (1) Off-airport parking operators shall pay a fee of eight percent of gross receipts annually for the privilege of operating upon the premises of the airport. Gross receipts means all revenue paid or payable and all compensation received from the off-airport parking operator's business operations at each facility served by the off-airport parking operator's vehicles, including without limitation, the following:
  1. All sums received as parking charges after any applicable discount;
  2. All sums received as parking fees;
  3. All sums received in connection with providing any amenities or services in connection with parking;
  4. All sums received for valet services or other services rendered in connection with the off-airport parking operator's business;
  5. The fair market value of any goods, services or other things of value received by the off-airport parking operator as compensation for, or in exchange for, parking or any of the other goods and services referred to above.
  6. Gross receipts shall not include the following: the amount of any federal, state, or municipal sales, or other similar taxes (which do not include non-tax fees such as airport use fees), whether or not separately stated and/or collected directly from customers of the user, now or hereinafter levied or imposed; any sums received as insurance payments or otherwise for damage to automobiles or other property of the user or for loss, conversion, or abandonment of such automobiles or property; or any sums received by reason of the user's

disposal of capital assets and/or trade fixtures. With the approval of the Airport's General Manager, a user that also provides parking for non-airport-related activities may deduct the resulting non-airport-related gross receipts.

- (2) Off-airport parking operators shall be assessed fees based patrons originating from or traveling to the airport from the off-airport parking operators' facility.
- (3) All off-airport parking operators must affix an AVI Tag to each vehicle operating at the airport in order to gain admittance to the ground transportation center.
- (4) The fee for an AVI Tag shall be \$50.00.
- (5) The AVI Tag replacement fee shall be \$75.00.

**SECTION 2:** That Sections 22-207 through 22-220 Chapter 22, Article III, Division 7, Subdivision 1, of the Code of Ordinances of the City of Atlanta, Georgia, be reserved.

**SECTION 3:** That all existing Ordinances or parts of Ordinances in conflict herewith shall be waived to the extent of the conflict.
