Carla Smith
Councilmember – District 1
Atlanta City Council

Dear Carla,

It was a pleasure talking with you at last week's neighborhood meet and greet. This letter is a follow-up to our conversation concerning my interest in a position on Atlanta's Tree Commission.

Greg Levine, co-executive director of Trees Atlanta, strongly suggested that I contact you regarding a "lay person" vacancy on the commission. I have been a volunteer with Trees Atlanta for the past five years and have learned a great deal about tree health and structure, and their compatibility with the urban landscape. As a native of Atlanta, I am familiar with the various neighborhoods throughout the city and have seen the many changes in our city's landscape over recent decades. People who know me know that I am quite passionate about the environment, specifically trees, and want to help mitigate our human footprint on the city landscape.

During my years as a volunteer with Trees Atlanta I have participated in numerous and varied projects such as the Beltline, as well as taken educational courses such as the eight week TreeKeeper course. In addition, I have volunteered with other agencies, including Habitat for Humanity, the Atlanta Food Bank and HandsOn Atlanta.

My college education was completed right in the heart of downtown Atlanta at Georgia State University. As a student in the Masters program of Criminal Justice, I learned about the role of government and its effect on policy, the court systems and the law.

Carla, I hope that you will nominate me for the lay person vacancy on the Tree Commission. It will be an honor and my pleasure to work to protect this city's precious tree canopy. Thank you for your consideration.

Kindest regards,
Sarah
