Attachment: LEO PROGRAM (13-O-1199 : TSA Grant Fund LEO Program \$352,205.00)

**TRANSPORTATION SECURITY ADMINISTRATION  
LAW ENFORCEMENT OFFICER PROGRAM  
STATEMENT OF JOINT OBJECTIVES  
Attachment 1**

This document defines the responsibilities and conditions that the , HARTSFIELD-JACKSON ATLANTA INTERNATIONAL AIRPORT, ATL (hereinafter referred to as the "Participant") agrees to as part of the Transportation Security Administration (TSA) Airport Law Enforcement Personnel Program, hereafter referred to as the "Program." This document also defines the responsibilities and participation of TSA.

The authority to enter into this Agreement is granted by 49 U.S.C. §§ 106(m) and 114(m). TSA has programmatic authority for the activities undertaken in this Agreement pursuant to 49 U.S.C. §§ 114(g), 44901(g), 44903(e) and 44922(f). The effective date of the Agreement will be the date of the signature by the TSA Contracting Officer.

The Participant agrees to provide qualified law enforcement services on-site at ATL during TSA screening checkpoint operating hours, and to provide law enforcement response to the passenger-screening checkpoints in keeping with requirements provided by TSA in accordance with the current Security Directive 1542-01-07 (series), regulations, and other authorities regarding law enforcement services.

Funding provided under this Agreement is intended to support a highly visible LAW ENFORCEMENT OFFICER (LEO) presence through on-site flexible, fixed, or a combination of the two (hybrid) LEO support of the TSA screening checkpoints (as determined by the TSA Federal Security Director (FSD), in consultation with the Participant). The FSD, in consultation with the Participant, may direct a change in how the checkpoint is stationed as necessary based on changes in threat levels, surges, seasonality, and/or other circumstances.

Regardless of their position or title, any individual who provides law enforcement support as outlined in this Agreement must possess all of the qualifications of a LEO set forth at 49 C.F.R. § 1542.217, while on duty at the airport. The TSA will provide partial reimbursement support for on-site response to TSA screening activities pursuant to the terms of this Agreement. At a minimum the Participant will ensure that the Law Enforcement (LE) service provider will:

- Support TSA's screening operations, including dealing with attempts to bring prohibited items through the checkpoint, disorderly persons and similar tasks.
- Follow an established LE response standard which is mutually acceptable to FSD, Participant and LE service provider.

In addition, the FSD and the participant will determine the appropriate level of participation in TSA's Layered Security Programs (such as Risk Emphasized Flight Screening (REFS), Playbook, Screening Passengers by Observation Techniques (SPOT), Table Top Exercises, Breach Drills and Joint Vulnerability Assessments (JVAs)).

Payment is subject to the availability of appropriated funds and compliance with the requirements of the applicable Security Directive(s), the Airport Security Plan (ASP), regulations, and other authorities regarding LE services as noted above. Should the Participant fail to comply with the provisions outlined in the Agreement, it may face full or partial forfeiture of payment and/or sanctions up to removal from the Program.-All disputes arising or related to the

Agreement shall be resolved under the "disputes" provision in Article X of the Terms and Conditions of the Agreement.

### TRANSPORTATION SECURITY ADMINISTRATION RESPONSIBILITIES

1. Based on the availability of funds, TSA will provide partial reimbursement to the Participant to offset the cost to carry out Aviation LE responsibilities in support of TSA screening activities.

#### Fully Burdened Rate includes:

- Base salary
- Social Security
- 401(k)/403(b)/457 plans
- Disability Insurance
- Health care benefits

3. The Participant will provide monthly invoices to the FSD and to the Contracting Officer's Representative in the format provided by the LEO Reimbursement Program Office, detailing the number of hours of LE services provided, the actual hourly rate, and the total amount requested for reimbursement. 4. Invoices must be submitted to the FSD no later than 45 days after the end of the invoiced period of performance.
5. The Participant will notify the FSD, promptly and in writing, of any changes to the points of contact for this Agreement or in the law enforcement agency providing the LE services.
6. The Participant will notify the FSD and LEO Reimbursement Program Office, promptly and in writing, if for any reason the Participant desires to terminate participation in the Program. Resolution of specific details on outstanding issues will be accomplished on a case-by-case basis.

LAW ENFORCEMENT OFFICER AGREEMENT PROGRAM**

**TERMS AND CONDITIONS**

---

**PARTICIPANT:** City of Atlanta, GA

**AGREEMENT NO:** HSTS0213HSLR004

**ARTICLE I – PARTIES**

This Other Transaction Agreement (hereinafter referred to as "Agreement" or "OTA") is entered into between the United States of America (hereinafter referred to as the "Government") Transportation Security Administration (hereinafter referred to as "TSA") and City of Atlanta, GA (hereinafter Participant). The TSA and City of Atlanta, GA (Participant) agree to cooperate in good faith and to perform their respective obligations using their cooperative good faith efforts in executing the purpose of this Agreement.

**ARTICLE II – AUTHORIZING LEGISLATION**

TSA and the PARTICIPANT enter into this Agreement under the authority of the Aviation and Transportation Security Act, Pub. L. 107-71, 115 Stat. 597, specifically 49 U.S.C. 114(m), and 106(l) and (m), which authorizes agreements and other transactions on such terms and conditions as the Administrator determines necessary.

**ARTICLE III - PROGRAM DESCRIPTION**

**A. Introduction**

On November 19, 2001, the President and Congress enacted the Aviation and Transportation Security Act (ATSA), P.L. 107-71, 115 Stat. 597, which established TSA as a new Federal agency. ATSA provides authority to the Administrator of TSA to carry out chapter 449 of Title 49 United States Code relating to civil aviation security, including responsibility for ordering the deployment of law enforcement personnel at each airport security passenger-screening location to ensure passenger safety and national security.

Pursuant to 49 U.S.C. § 44903(c) and 49 C.F.R. Part 1542, each airport operator is required to establish an air transportation security program that provides a law enforcement presence and capability at the airport that is adequate to ensure the safety of passengers. This Agreement is part of the joint effort of TSA and the airport operator to deploy sufficient LEOs in support of passenger screening activities at the checkpoint to meet their dual responsibility to ensure the safety of passengers and to counter risks to transportation security.

## B. Purpose of This Agreement

- I. The Participant agrees to maintain a law enforcement presence and response that is adequate to support each system for screening persons and accessible property. This law enforcement presence provides for the safety and security of persons and property against an act of criminal violence or aircraft piracy, and assists in preventing the introduction of TSA prohibited items. At a minimum the Participant will ensure that the LE service provider:
  - i. Supports TSA's screening operations, including dealing with attempts to bring prohibited items through the checkpoint, disorderly persons and similar tasks.
  - ii. Follows an established LE response standard which is mutually acceptable to the FSD, Participant and LE service provider
  - iii. Participates in TSA's Layered Security Programs (appropriate level of participation to be determined by the FSD and Participant)
- II. The Participant agrees to maintain a sufficient number of LEOs at the checkpoint(s) during the hours of TSA screening checkpoint operations each day. The specific number of LEOs must be identified in the submission.
- III. The Participant will assist in the verification of LEO credentials as requested by the FSD or other TSA representative.
- IV. In accordance with Federal, State, and local statutes, the Participant will promptly furnish on request incident reports, police reports, and other information dealing with Aviation Security and/or each law enforcement response to transportation security incidents at the airport.
- V. The Participant will fully cooperate with regulatory investigations.
- VI. The Participant shall coordinate all media releases and other contact with or by media on the terms and conditions of the LEO Reimbursement Agreement with the FSD.
- VII. Additional Airport Specific Requirements (These requirements must be accepted by both the FSD and the Participant): Describe any specific LEO support to be provided under this Agreement that is not included elsewhere in the Statement of Joint Objectives (SOJO) but which would benefit TSA screening activities. Such support, based on the specific characteristics and security requirements of the airport, could include but is not limited to:
  - i. LEO patrol of a particular area.
  - ii. Unique assistance to local TSA.

- iii. Response time less than that specified in the Airport Security Plan (ASP) (do not include any SSI to include exact response time; reference a measure or percentage of what is required in ASP).

*Note that such additional activities may only include those which can be performed during periods of TSA screening operations, and which do not interfere with the LEOs' ability to respond to incidents at the screening checkpoints.*

#### ARTICLE IV – AUTHORIZED REPRESENTATIVES

- A. *The Contracting Officer is the only TSA official that has the full authority to negotiate, and administer and execute all terms and conditions of this agreement in concurrence with the Program Officer.*

If this Agreement is completely or partially terminated, the records relating to the work terminated shall be made available for three years after any resulting final termination settlement. Records relating to appeals under the "Disputes" provision in Article X regarding this Agreement shall be made available until such appeals are finally resolved.

B. Participant has the affirmative duty to notify the TSA Contracting Officer in the event that Participant believes that any act or omission of a TSA agent or employee would increase Participant costs and cause the Participant to seek compensation from TSA beyond TSA's liability as stated in Article IV (Responsibilities), or Article VI (Funding And Limitations). Claims against either party for damages of any nature whatsoever pursued under this Agreement shall be limited to direct damages not to exceed the aggregate outstanding amount of funding obligated under this Agreement at the time the dispute arises. If the Participant receives any communication which it interprets as instructions to change the work encompassed in this Agreement, or to incur costs not covered by funding obligated at that time, the Participant must not act on that communication, and must contact the Contracting Officer verbally and in writing immediately.

C. In no event shall either party be liable to the other for consequential, punitive, special and incidental damages, claims for lost profits, or other indirect damages.
