MEMORANDUM OF UNDERSTANDING between THE CITY OF ATLANTA and KEEP ATLANTA BEAUTIFUL

Exhibit B – Project Logistics and Financing

- 1) Prior to Keep Atlanta Beautiful raising funds for specific works of art, it will first notify the City through its office of Cultural Affairs, of its interest in specific art (“Check list of Artworks or any inclusion hence forth”) and the type of work contemplated (the “Project”).
- 2) The City will notify Keep Atlanta Beautiful of any special concerns around the designated artwork or the project. If none are identified, Keep Atlanta Beautiful will begin the process of estimating the cost to complete the Project. The estimation process will include Keep Atlanta Beautiful consulting with outside contractors and the Office of Cultural Affairs Public Art Program to determine scope of work expenses (“Estimated Cost”).
- 3) Once an estimated cost of the project(s) is determined, the Office of Cultural Affairs will authorize Keep Atlanta Beautiful to begin the fundraising process with one or more donors that it believes would have interest in funding the project.
- 4) Once Keep Atlanta Beautiful has gained commitments from donors to fund the estimated cost, it will then work with the City’s Public Art Program to prepare a detailed Project plan (the “Project Plan”). The Project Plan will include specific details on the project including the exact nature of any restoration work; the exact location of any lighting that is to be installed, the type of lighting, a project timeline, and a work plan for the contractors.
- 5) Once Keep Atlanta Beautiful has raised the required funds, Keep Atlanta Beautiful will provide to the City an accounting of funds to remedy the project plan. Working with the Office of Cultural Affairs, Keep Atlanta Beautiful and the City will finalize contracts with vendors to complete the project.
- 6) The Public Art Program will oversee project management and the Office of Cultural Affairs will have an advisory role relative to fundraising. Keep Atlanta Beautiful will act as the fiduciary agent to ensure that the each project is funded to completion per the contracted plan and maintenance specification of the Public Art Program.
- 7) Once the Project is complete with such determination to be made by the Office of Cultural Affairs, project specifics, promotions and news releases will be coordinated between Keep Atlanta Beautiful and the City of Atlanta before release.
