RE: **General Partnership Filing**

Dear Mr. Barlow:

In response to your inquiry about filing your Tennessee-based general partnership with the Georgia Secretary of State, please note there is no provision in O.C.G.A. Title 14 for such a filing with our office.

Business corporations, nonprofit corporations, professional corporations, limited partnerships, and limited liability companies are formed in Georgia by filing with the Corporations Division of the Office of Secretary of State. In some instances, the above entities that form in other states choose to file with the Georgia Secretary of State as "foreign" entities.

Pursuant to O.C.G.A. §10-1-490, general partnerships are filed with the clerk of the superior court of the county in which the business is chiefly carried on.

Thank you for your inquiry and I hope this information is helpful in your continued endeavors in our state.

Sincerely,

Tanja D. Battle
