**NOTICE** is hereby given that at 1 p.m. on January 19, 2016, a Public Meeting of the Council of the City of Atlanta ("Council") will be held in the Council Chambers on the Second Floor of City Hall, Atlanta, Georgia, at which time there will be considered and determined by the Council the question of whether or not general obligation bonds shall be authorized for issuance by the City of Atlanta ("City") in the following amounts for each of the following purposes:

**GENERAL OBLIGATION BONDS** in the principal amount of \$4,000,000 for the purpose of providing funds to pay, or to be applied or contributed toward, the cost of acquiring a site or sites and constructing and equipping thereon municipal buildings and related facilities, of renovating, improving, adding to, and equipping existing municipal buildings and facilities, of acquiring property, both real and personal, necessary or desirable for use in connection therewith, and of paying expenses incident thereto.

**GENERAL OBLIGATION SCHOOL BONDS** in the principal amount of \$4,000,000 for the purpose of providing funds to pay, or to be applied or contributed toward, the cost of acquiring, constructing and equipping new school buildings and other buildings and facilities useful or desirable in connection therewith, of renovating, improving, replacing, adding to, expanding and equipping existing school buildings and other buildings and facilities useful or desirable in connection therewith, of acquiring property, both real and personal, necessary or desirable for use in connection therewith, and of paying expenses incident thereto.

It is proposed that an ordinance authorizing the issuance of bonds for each of the above purposes will be considered and acted upon by the Council at such Public Meeting in accordance with the procedure set forth in two special amendments to the Constitution of the State of Georgia which were ratified at the General Election held on November 5, 1968, and duly proclaimed by the Governor of the State of Georgia on December 13, 1968 (1968 Ga. Laws 1582 to 1584, inclusive, and Ga. Laws 1586 to 1587, inclusive), and any person having an interest in the proposed authorization of such bonds for any of the above purposes may attend such Public Meeting and make known his or her view or views with respect to the proposed ordinance which will authorize the issuance of such bonds.

Each of such constitutional amendments provides that in the event that a petition for referendum is filed with the Municipal Clerk of the City within thirty (30) days after such public hearing, containing the signatures of not less than five percent (5%) of the registered voters of the City, the Municipal Clerk of the City is required to call an election, at which time the question of the issuance of the bonds with respect to which the petition was filed shall be submitted to the vote of the qualified voters of the City; provided however, that the Council, upon the filing of such a petition for a referendum, may withdraw the proposal from further consideration and decline to issue the bonds with respect to which the petition was filed.
