INVESTING IN ATLANTA

Georgia Real Estate Continuing Education Course

ATLANTA – City Councilmember Mary Norwood in conjunction with Invest Atlanta, Atlanta Beltline, Georgia Trust for Historic Preservation, and the Law Office of Weissman, Nowack, Curry and Wilco present a continuing education course for real estate salespersons and brokers to present area incentives available to prospective homeowners. This three-hour class will feature keynote speakers from each office educating attendees about these area incentives towards the purchase of a home, which can in certain cases be up to \$50,000. All incentive programs have requirements and criteria for which recipients must qualify.

Date: Thursday, February 18, 2016
Time: 10 a.m. until 2 p.m.
Venue: Yaarab Shrine, 400 Ponce De Leon Ave NE, Atlanta, GA 30308
Cost: \$25 (includes class, lunch and a 2:00 p.m. neighborhood tour designed by Mary Norwood. Tour bus seating is limited. The tour will last approximately 1.3 hours.

Please RSVP for the event at:

Councilmember Mary Norwood is introducing Atlanta's finest resources to the real estate community. Invest Atlanta, Atlanta Beltline, Inc., The Georgia Trust and Weissman, Nowack, Curry & Wilco, Attorneys at Law will be represented in an all-star lineup for this event. This course should serve as an innovative vehicle to educate, inform and empower those that truly are an integral part of Investing in Atlanta. It is with further intention that this event will serve as not only a local, but national model for those cities and municipalities actively seeking new ways to invest in their localities.

About City Councilmember Mary Norwood, Post 2 At-Large

For the past twenty years, Mary Norwood has been a welcome and formidable presence in Atlanta and throughout the Southeast, tirelessly working for neighborhood inclusion and a level playing field in city politics. With her trademark demand for fiscal accountability and transparency in city government, Mary Norwood has an unsurpassed record of success in environmental, preservation, zoning, transportation, public safety, housing, and homeless issues.
