**Statement from Atlanta City Council President Ceasar C. Mitchell on the city's selection to host Super Bowl 53 in 2019**

*"This is certainly an exciting day for the City of Atlanta and the region! I have great anticipation for the positive impact winning the 2019 Super Bowl will have on our economy, our image and most importantly, the people of this city."*

*"Being honored with the game is proof positive that public-private partnerships in the area of urban development can result in constructive outcomes."*

*"I applaud the collaborative efforts of the leadership team that made this a reality and look forward to hosting Super Bowl 53 like only Atlanta can."* – **Atlanta City Council President Ceasar C. Mitchell**
