**Statements from Atlanta City Councilmembers Ivory Lee Young, Jr. and Carla Smith
on the city's selection to host Super Bowl 53 in 2019**

"I was proud to sponsor the unanimously approved legislation supporting the bid for the 2019 Super Bowl."

"As the representative of the city council district that is the home of the new Atlanta Falcons Stadium, and as of today the home of the 2019 Super Bowl, I am hopeful to leverage support for Super Bowl Legacy Projects that will produce much needed assets for our youth."

"I am certainly excited for Atlanta but I'm equally as excited about the opportunities that potentially await us and providing a continued economic stimulus to Atlanta's West Side." –
Atlanta City Councilmember Ivory Lee Young, Jr., District 3

"I am thrilled and excited that Atlanta was chosen as the Super Bowl host in 2019. It will not only allow us to showcase our great city to the world, but also what will be the most beautiful state-of-the-art stadium in the NFL." – **Atlanta City Councilmember Carla Smith, District 1**
