Atlanta's criminal street gangs are comprised primarily of males between the ages of 17 and 31.

22-26 year olds form leadership ranks.

13 to 16 year olds constitute the majority of juvenile gang members.

Narcotics trafficking remains central to adult gang criminal conduct.

- Down for Whatever
 - Money Team / Simpset
 - Fastlife

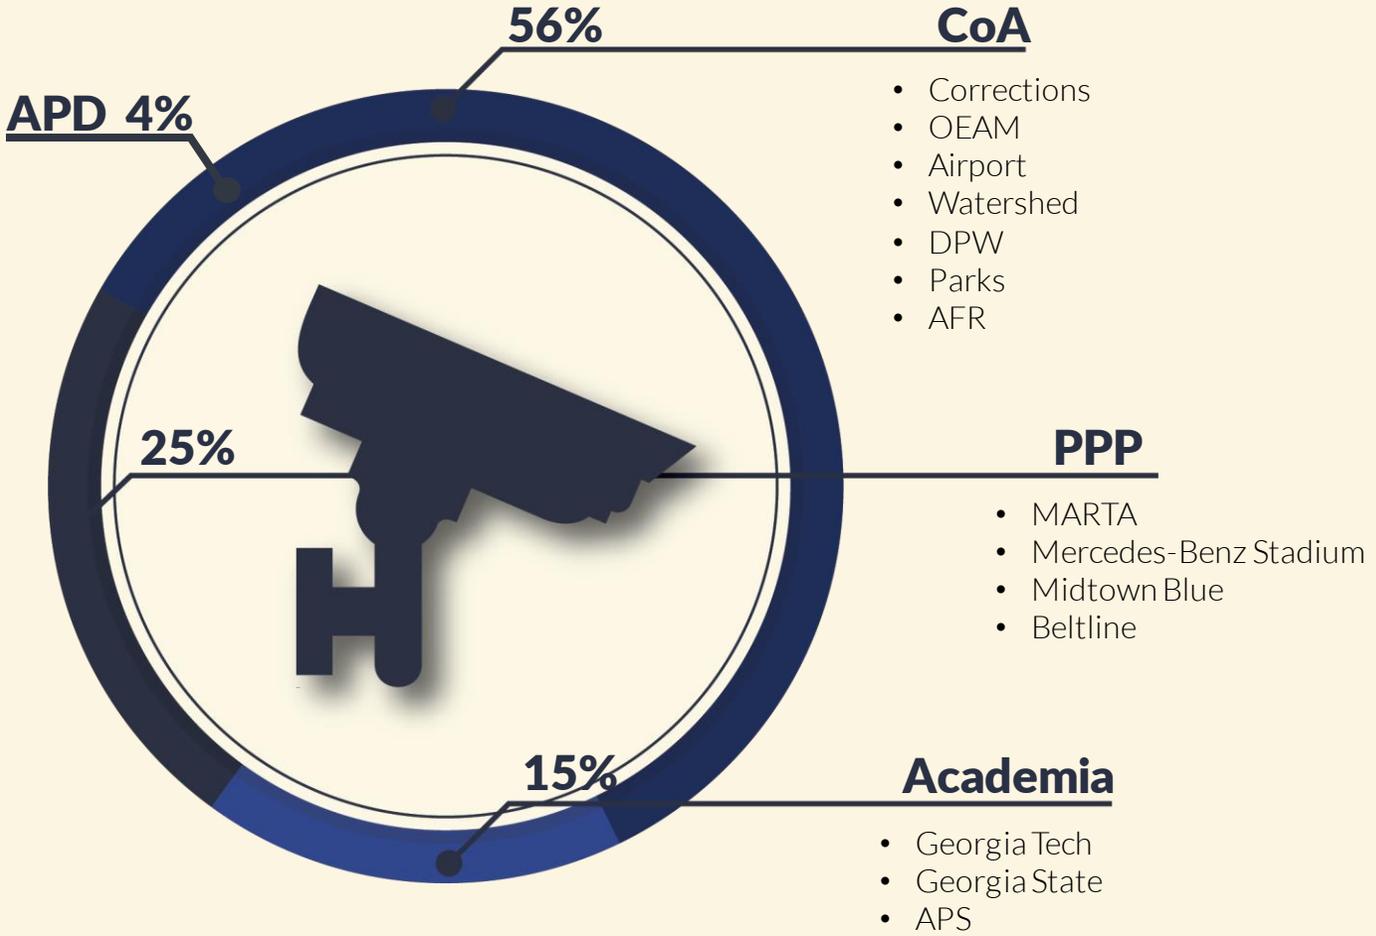

At the direction of adult leadership, juvenile gang members focus their efforts on property crimes, auto thefts, and carjackings.
