CLIENT SUCCESS STORIES

September 2019 - J. D. is a 58 year old who has been experiencing homelessness in the Atlanta area and struggled with alcoholism for 10 years. He was referred for services by his Public Defense Attorney. J. D. received individualized attention and developed a service plan with Client Advocate Lawrence Elder. JD was placed in residential substance use treatment is now on the path to recovery.

October 2019 - S. A. is a 57 year old client who has been experiencing homelessness and battling addiction for over 30 years. He had never engaged in social services or received treatment for substance use. He was referred for services by his Public Defense Attorney and began a service plan with Social Worker Janikqua Cutno. He entered residential substance use treatment for the first time and has now been sober for six months.
