COVID-19 Reporting Requirements

The City of Atlanta adopted four pieces of legislation which required the Chief Financial Officer to prepare and submit certain reports in a timely fashion regarding the financial impact of COVID-19.

- **20-R-3773** requires the “Chief Financial Officer provide a report on the accounting of all federal and state funds the City of Atlanta has received or will receive to assist with battling the harmful effects of the COVID-19 pandemic.”
- **20-R-3774** requires the “Chief Financial Officer to provide the Council President and all members of the City Council an accounting of all funds that will be contributed to non-profit and philanthropic organizations as part of the City’s emergency assistance in response to the COVID-19 pandemic.”
- **20-R-3787** (not to exceed \$5M) and **20-R-3914** (not to exceed \$20k) requires that the “Chief Financial Officer shall submit to the Atlanta City Council and to the Atlanta Ethics Office before the 15th of each month a report listing for the previous month, the details of ... each donation . . .”
