Notes for August 20th Meeting #6 Transportation Task Force

There was not a presentation. Discussion about the go forward process that AECOM will take feedback from previous meetings and create draft document. The neighborhoods will have approximately 30 days (estimated) to review the plan with their respective neighborhoods and then we will host another meeting to include feedback from neighborhoods. We did not yet decide a date and location. The remainder of the meeting was spent with people reviewing boards showing ideas regarding traffic calming, trails, etc. People posted notes and gave feedback on ideas.
