WHEREAS, on April 2, 2020, Governor Brian Kemp signed an Executive Order to Ensure a Safe and Healthy Georgia (“Governor’s Executive Order 04.02.20.01”) to address the COVID-19 pandemic by implementing temporary actions, effective beginning at 6:00 P.M. on Friday, April 3, 2020 and expiring at 11:59 P.M. on Monday, April 13, 2020, necessary and appropriate to protect the health, safety, and welfare of Georgia’s residents and visitors;

WHEREAS, in recognition that there is a necessity for certain front-line City of Atlanta employees to continue their work in areas necessary for the purposes of eliminating or reducing immediate threats to life, public health, or safety where their work could expose them to the coronavirus, on March 16, 2020 I signed Administrative Order 2020-04 in which I ordered the Chief Operating Officer to coordinate with the Commissioner of the Department of Human Resources to examine, establish and promulgate a process by which the City may provide for the creation of certain employee classification(s) which provide for temporary salary increases for certain employees experiencing increased burdens in their work responsibilities during this and other times of emergency;

WHEREAS, as a result, and due to the need created by the continuing COVID-19 disaster, the Chief Operating Officer and the Commissioner of the Department of Human Resources recommended the implementation of a hazard pay policy for front-line employees working in areas necessary for the elimination or reduction of immediate threats to life, public health, or safety, where their work could expose them to the coronavirus, which I authorized via Administrative Order 2020-08, (“the Hazard Pay Policy”); and

WHEREAS, pursuant to the recommended supplement to the Hazard Pay Policy, the effective date of the Hazard Pay Policy should be amended such that it shall be March 11, 2020, the date the World Health Organization declared the COVID-19 outbreak a pandemic, with hazard pay provided in accordance therewith; and

WHEREAS, pursuant to the recommended supplement to the Hazard Pay Policy, eligible employees should be awarded hazard pay compensatory time (Hazard Pay Compensatory Time) at the rate of twenty-four (24) hours per week (six days per pay period); and

WHEREAS, pursuant to the recommended supplement to the Hazard Pay Policy, the Chief Financial Officer should be granted the authority to provide cash payments of one-fourth of the accumulated Hazard Pay Compensatory Time awarded during the COVID-19 disaster to any employee who separates from the City prior to exhausting their accumulated Hazard Pay Compensatory Time as mandated by the supplement to the Hazard Pay Policy.
