

Atlanta Police Department

2021 Q4 Report

Chief Rodney Bryant

January 24, 2022

2022 Crime Reporting

- UCR (Uniform Crime Reporting), which reported only the most egregious crime committed during an incident, has been retired
- The FBI transitioned to NIBRS-only crime data collection in 2021
- Under NIBRS (National Incident Based Reporting System), each crime committed during an incident is reported, regardless of severity
- This may initially appear to be an increase in crime, however APD will continue to capture crime number comparisons in familiar categories
