# Assessing & Understanding the crisis

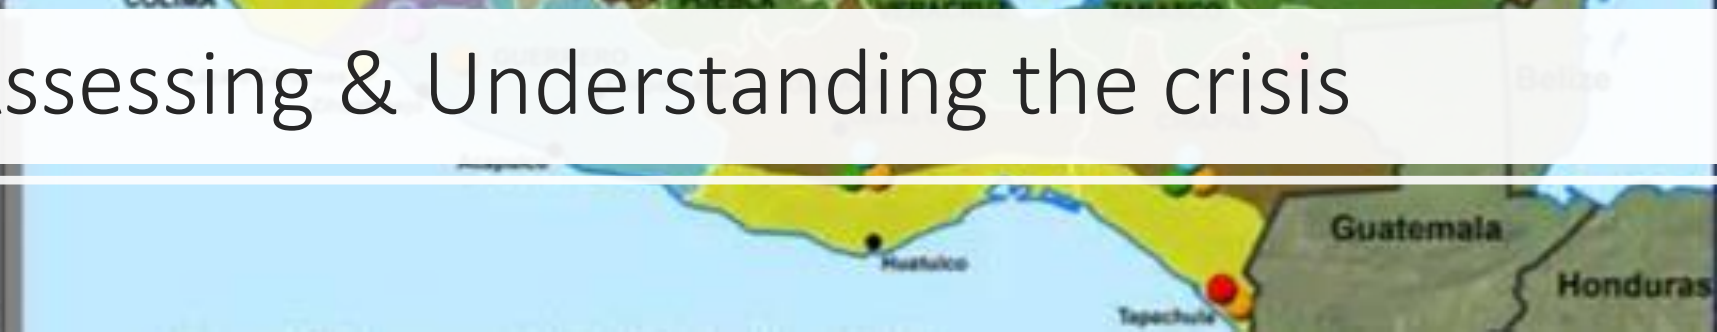

(U) This map represents areas of dominant Mexican cartel presence. It is subject to change given the fluid nature of Mexican DTOs.

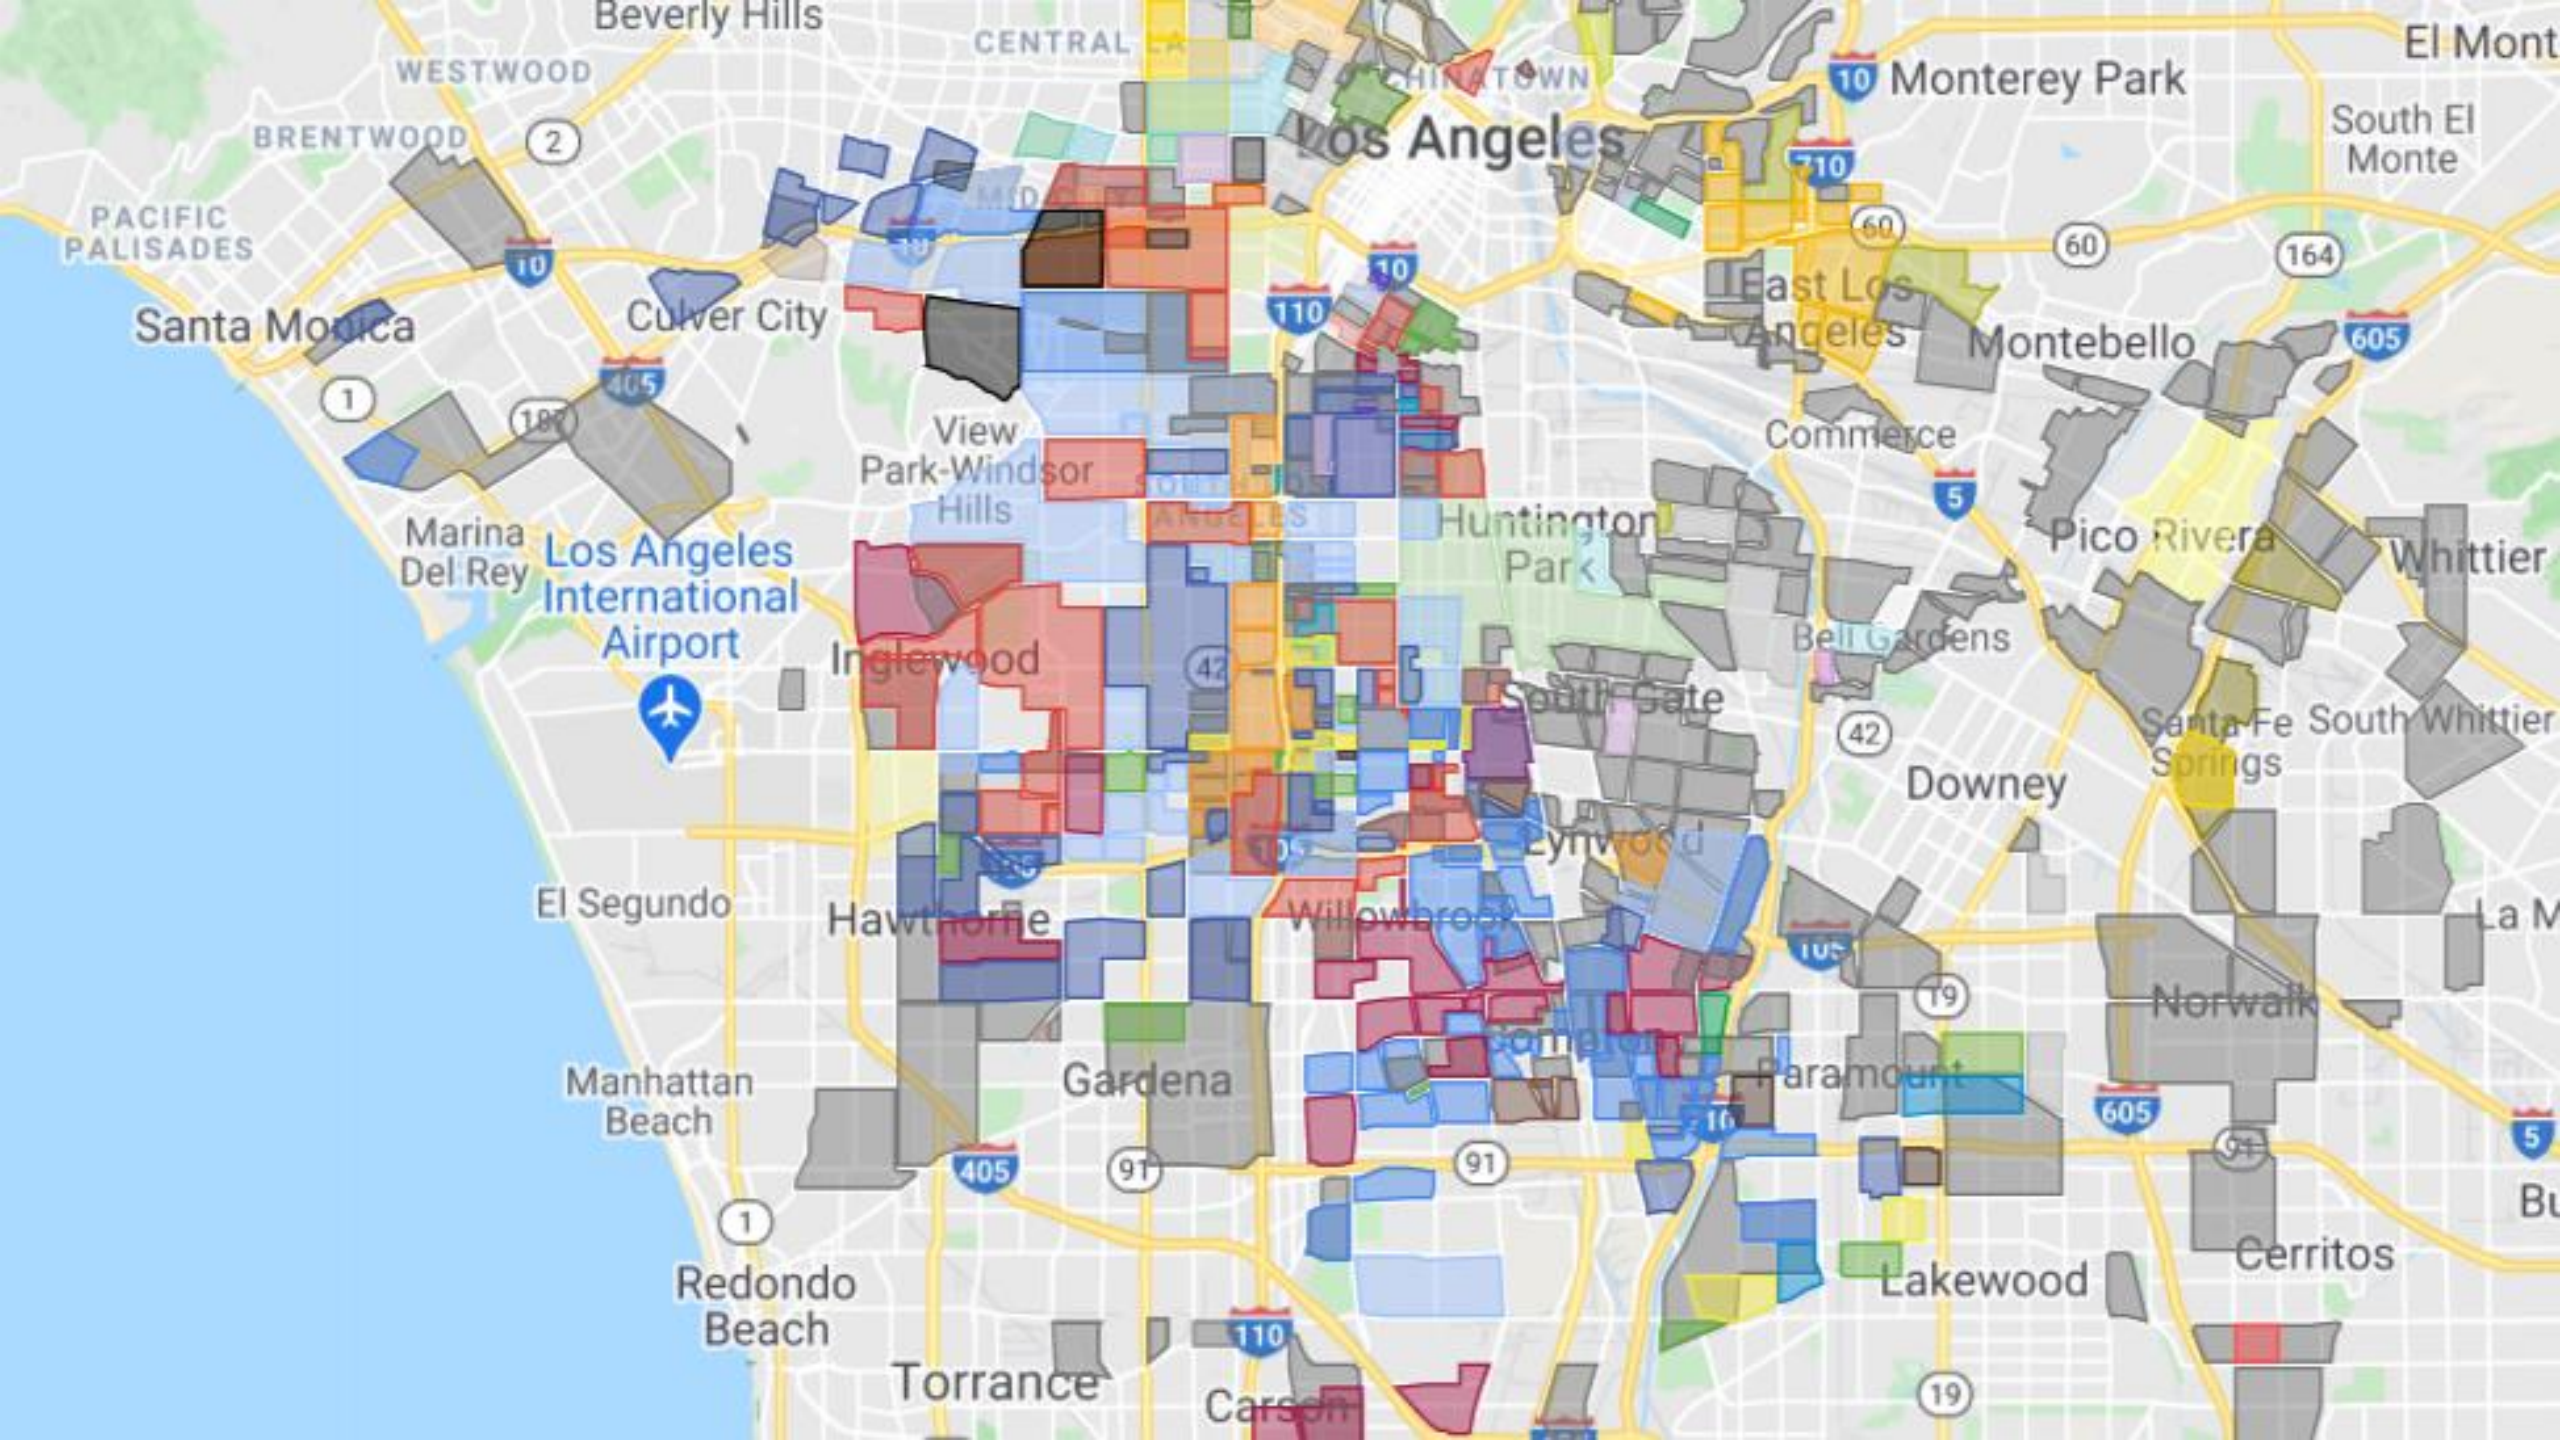

- Mexican Cartels**
- Sinaloa Cartel
  - Gulf Cartel
  - Los Zetas
  - Los Caballeros Templarios
  - Beltrán Leyva Organization
  - La Familia Michoacana
  - No Dominant Cartel Presence

# CSG 101 – Assessing & Understanding the crisis

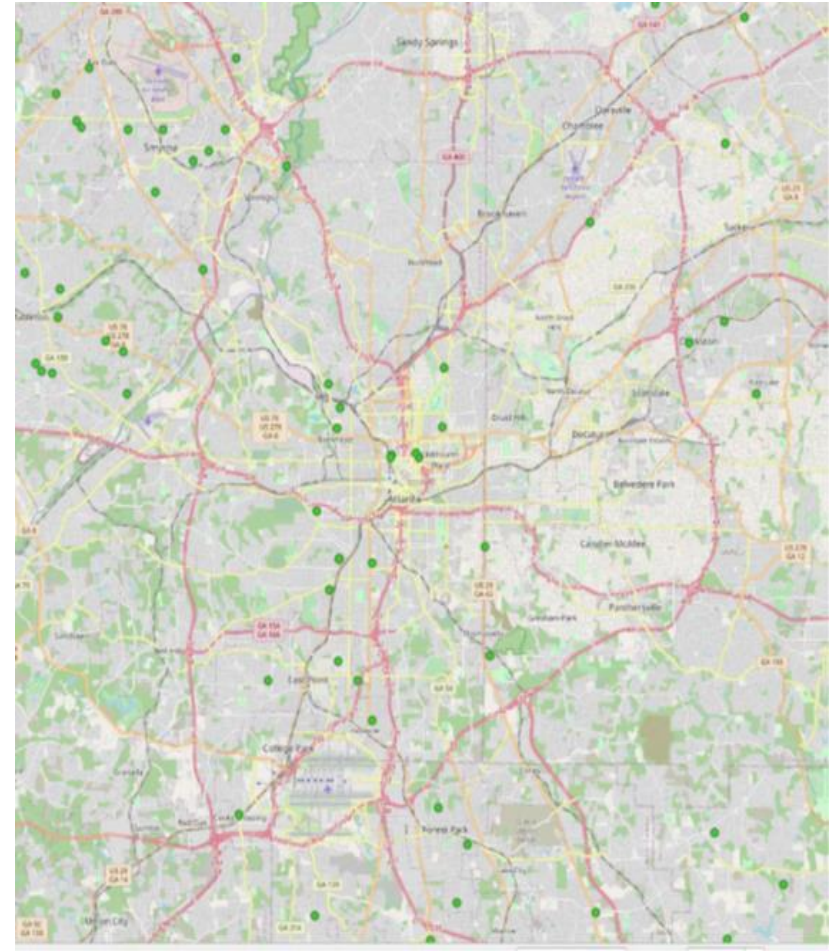

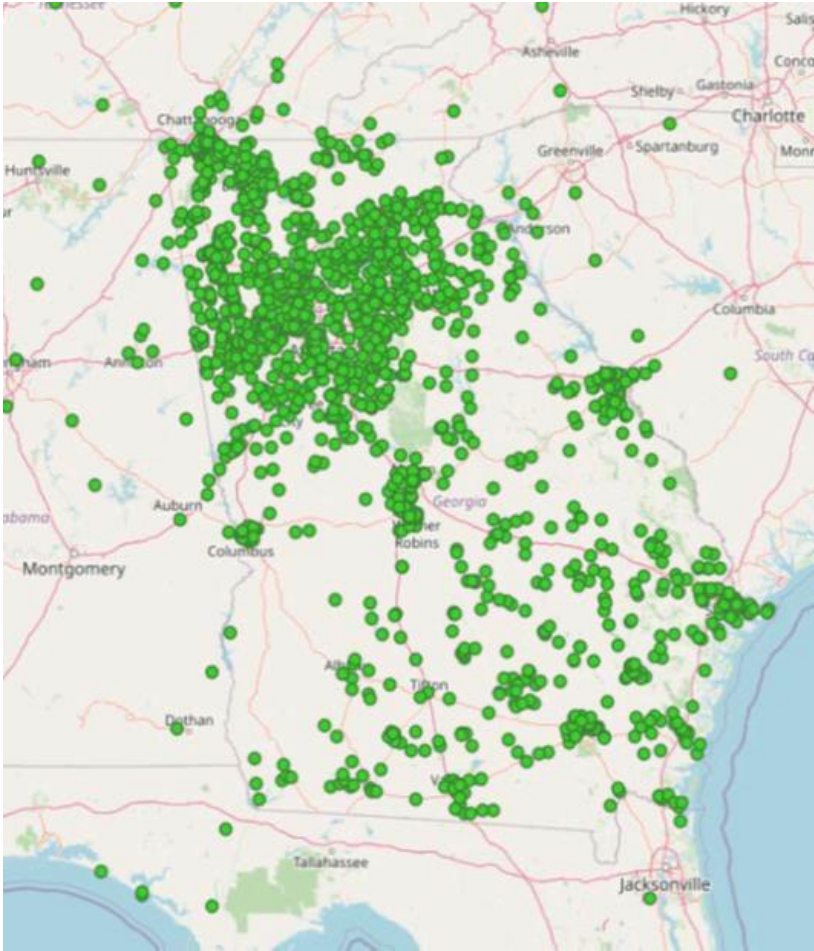

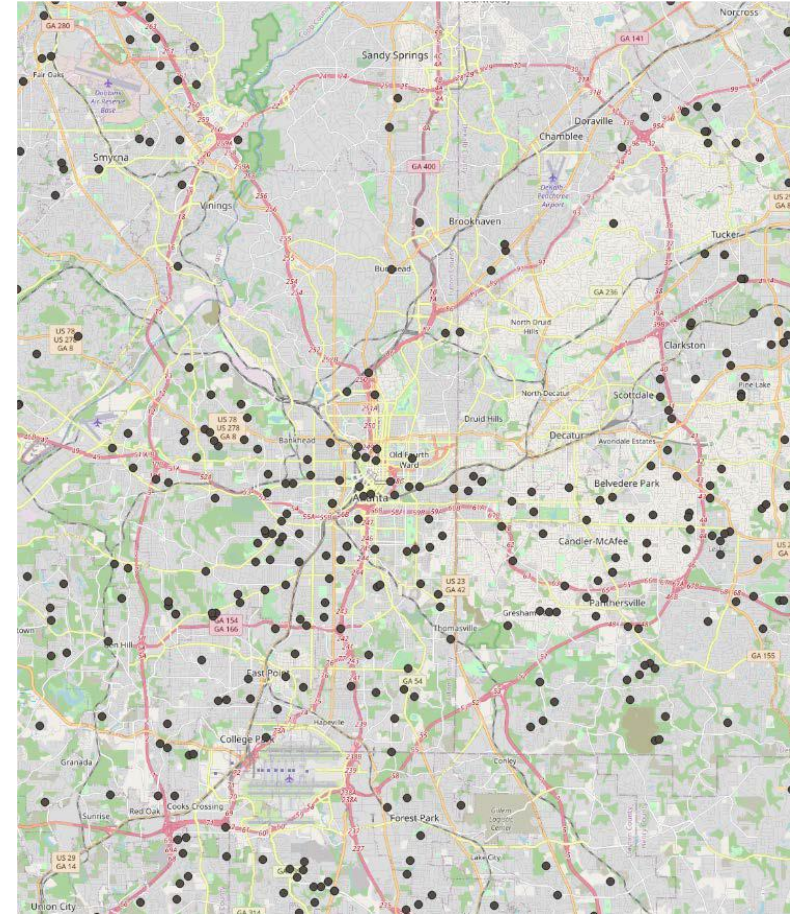

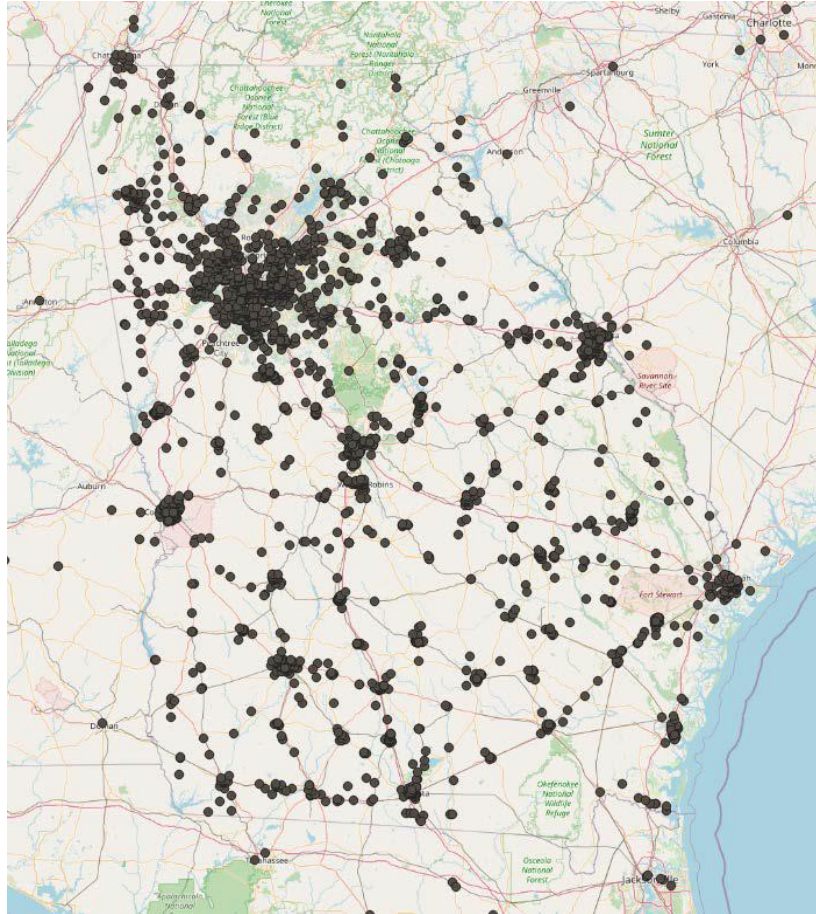

# Aryan CSG Dispersion per GDC

# Gangster Disciple CSG Dispersion per GDC

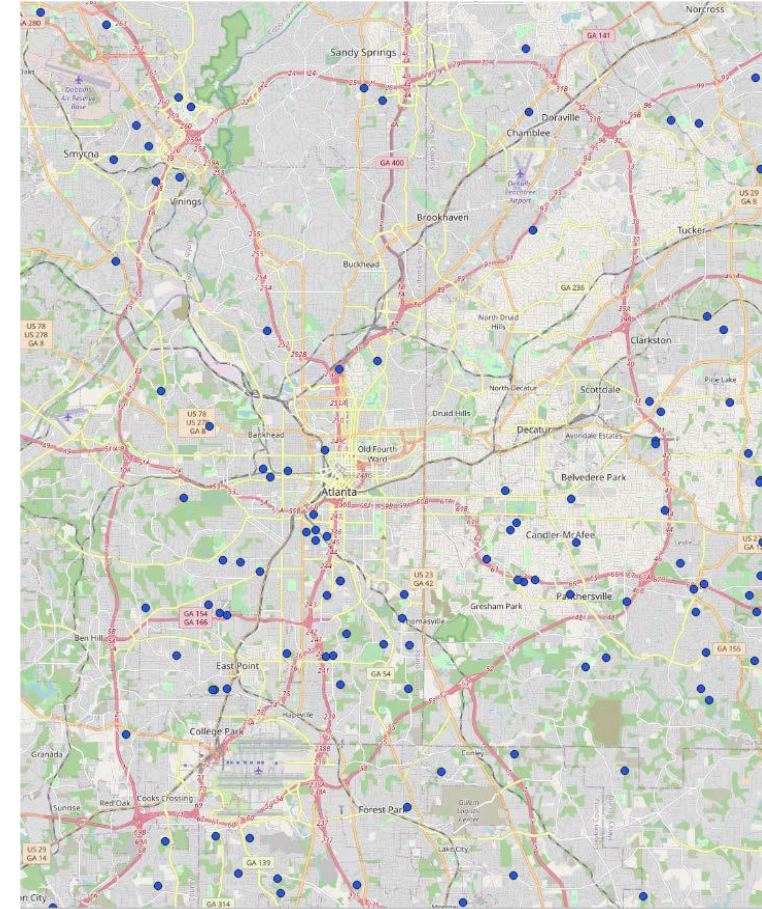

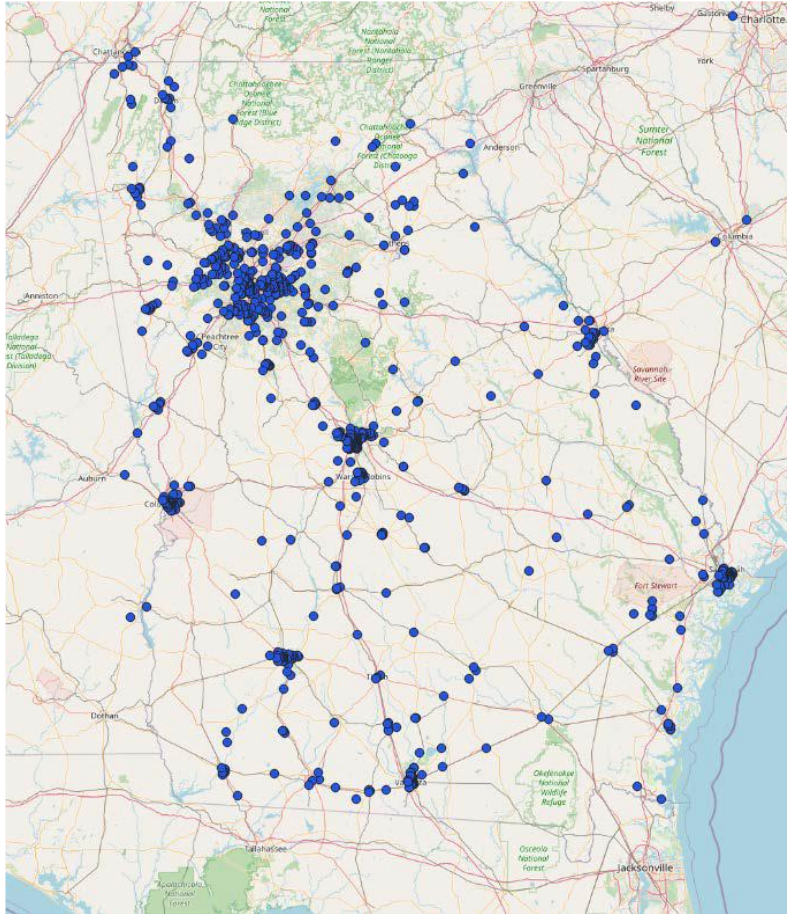

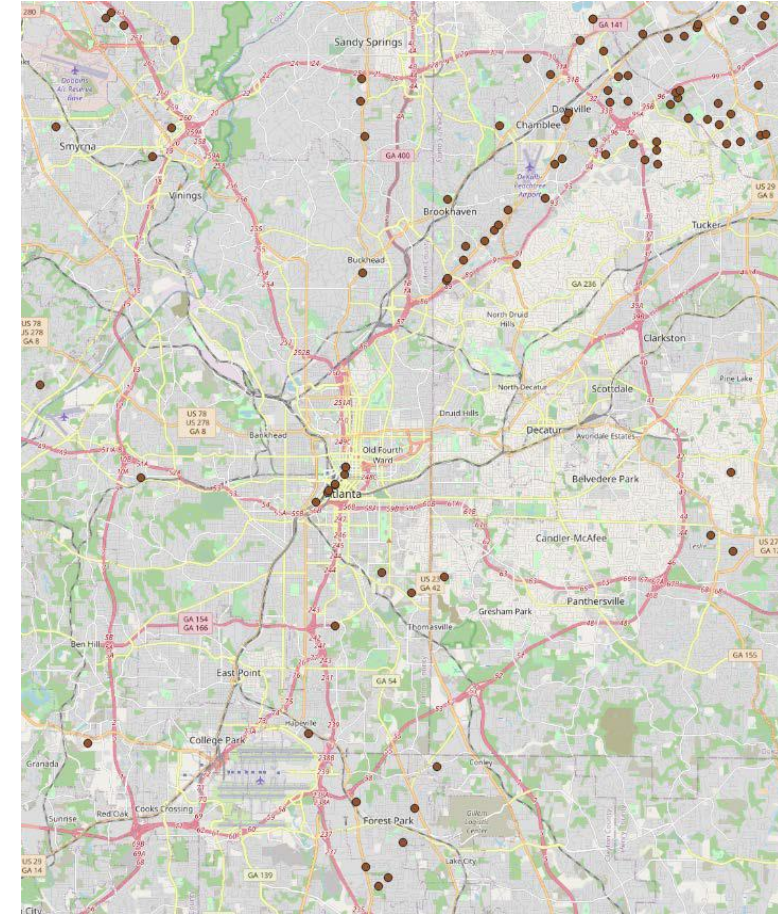

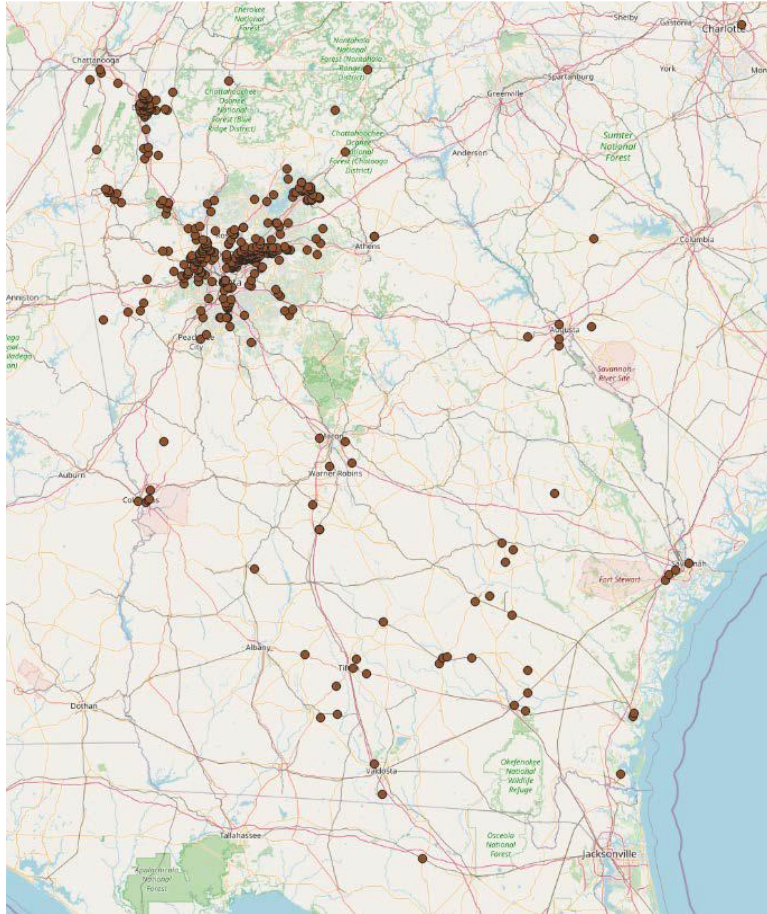

# Crips CSG Dispersion per GDC

# Latin CSG Dispersion per GDC

# CSG Suppression

- Effective Strategies include a diverse approach across multiple agencies:
  - Most important is providing an assessment of the problem to the “solvers”
  - Enforcing the laws on the books (from loitering, shoplifting, drugs to violent crimes).
  - Prosecuting the offenders and the gang (and gang associates). Using Gang statute and RICO.
  - Targeting worst offenders utilizing intelligence driven data.
  - Intentionally and proactively sharing CSG intelligence across organizations.
